# Overview of DRAWING I

## (Grades 6-8)

**Tutor:** Mrs. Julie Moore
517-750-7052
moorebubblefootfarm@gmail.com

**Textbooks:** No text required. The tutor will be following activities from the text *Drawing on the Right Side of the Brain* by Betty Edwards to help refine our skills.

**Lab/Copy Fee:** $5.00/semester

**Supplies needed for class:** Most, if not all, of these supplies, can be purchased at Michael's.

- Sketch pad (8X12" or larger)
- Colored pencils (12) — Prismacolor Scholar recommended or other good quality
- Washable markers (Crayola makes good ones)
- 2 (plain ol' garden variety school) pencils
- Kneaded eraser
- Ruler
- Extra-fine black marker

**Course Description:** This course is an introduction and overview of drawing. Using different mediums such as pencil, charcoal, pastels and pen and ink to experiment, students will study still life and perspective drawing while analyzing arrangements of form and space. No experience is necessary.

**Student Evaluation:** Students will be given points for each assigned project. At the end of each semester, points will be totaled and a letter grade will be given based upon how many points the student has earned.

Points will be given based upon the following criteria:

- Grasp of concepts taught
- Improvement throughout the school year
- Effort and participation in class projects.
