TEXARKANA ORGANIZATION FOR RESOLUTE CHRISTIAN
HOMESCHOOLERS

Note From Your President

When you dive into the world of homeschooling, the options can feel endless and overwhelming. It doesn't have to be! Discovering your child's learning style can be a great jumping off point, as well as learning more about different homeschool methods. Each family and child is different, and the beautiful thing about homeschool is that you can tailor any curriculum to fit your family or child's needs. As you take your homeschooling journey, remember that your children are taking it with you. Bumps and detours will happen, but it doesn't mean your journey can't be beautiful. Happy Homeschooling!
