FINE ARTS

GLOW! THEATER CO.

As the world gets darker, God's people must shine brighter.

Formerly Tower Christian Theater, GLOW! Theater Co. came under the umbrella of CHEFA in 2016 and, as of May 1, 2021, is now its own religious non-profit group. Our company seeks to enrich our community with wholesome productions while providing a venue for students to experience the joy of dramatic art. We produce shows annually, usually performing them in March. Rehearsals run Mondays from September through the middle of March. Two Friday rehearsals are added near performance time. Opportunities to fill spots vacated by departing members will be announced in late spring for the following season. Tuition cost for the 23-24 season is \$200 per student.

ADVENTURES IN DRUMMING

Adventures in Drumming (AID) is a series of sessions designed for anyone from first grade through adult. AID focuses on the essence of rhythm, melody, and fun of drumming through a band experience. Listening, watching and playing together with shakers, drum set, hand drums, and xylophone-type instruments are used to achieve this band experience.

Beginning (drums only) & Intermediate classes (adding xylophone, marimba and vibes) are available. New sessions begin every 4 weeks.

YOUTH PERCUSSION BAND

Students who attend our We Got The Beat Summer Drum Camp are eligible to join the year-round performance group, also known as We Got The Beat (WGTB). WGTB assembles each year in August and runs through the end of the school year. Participants are involved in weekly, 2-hour rehearsals. Students perform at various schools and community events throughout the year.

SPEECH & DEBATE

FORTITUDE SPEECH & DEBATE CLUB

Fortitude Speech and Debate is a local Christian homeschool forensics club within the Stoa league. We are a group of parents who train our homeschooled students aged 12-18 to hone their communication skills for the glory of God. Our primary vision is to disciple our children and develop Godly character in them through the vehicle of competition by training them in "Speaking boldly. Changing the world for Christ," which is also Stoa's motto.

Our club meets on Tuesday evenings at Trinity Community Church and is parent-led in a co-op style. While each parent is their own student's primary coach, we come together as a club to sharpen one another's skills and to provide the benefit of accountability (so that things get DONE). Because parents are integral to the coaching team, our club is not a drop-off event. With this in mind, we do provide training for both parents and students as well as referrals to pro-coaches which you may privately engage. Because discipleship is our primary purpose, we offer an apologetics bible study each week, which we encourage all our club members to attend, regardless of whether they intend to compete in the apologetics event.

Our club offers all of the Stoa events: Team Policy Debate, Lincoln-Douglas Value Debate, Parliamentary Debate, interpretive speeches (bringing to life a selection of literature), Apologetics (defending the Christian faith), Extemporaneous (analysis of current events), Mars Hill (building bridges between culture and Biblical truth), and platform speeches (in which students inform their audience), *so long as we have a parent to head up that area of interest.*

Students can choose a-la-carte style which event(s) they will invest their energy. Speech and debate do take time and perseverance to do well, and we have found that students/families get out what they put in. Because competition is an excellent motivator, we do expect our students to commit to a minimum of two tournaments each year. The tournament calendar is posted on Stoa's website and there are always plenty of tournaments in California (including our own local tournament).

For more information, as well as eligibility, please visit our website at: www.stoafresno.org as well as Stoa's website at: www.stoausa.org or contact Debra Fear at (559)273-8486.

DYSLEXIA SPECIALIST & TUTORING IN CLOVIS

If you know someone who is a bright thinker, but has difficulty reading and spelling, he/she may be the 1 out of 5 people that have dyslexia. Dyslexia cannot be outgrown, but it can be diagnosed as early as 5 ½ years old. With appropriate intervention, people with dyslexia can become skilled readers. I have been trained to screen for dyslexia and I am a certified tutor in the Barton Reading and Spelling Program -- an Orton-Gillingham based approach that has been PROVEN to help. Please call me with any questions you may have.

HIGH SCHOOL ENRICHMENT

HIGH SCHOOL ENRICHMENT: STATE CENTER COMMUNITY COLLEGE DISTRICT (SCCCD) – DUAL ENROLLMENT

The State Center Community College High School Enrichment program offers students in the 10th, 11th, and 12th grades an opportunity to enroll in college courses and receive college credit. Exceptions to this policy are outlined in the High School Enrichment application.

Generally, courses of a remedial nature, courses for which failing grades were earned, and courses required for high school graduation do not meet the intent and spirit of the program. Students must meet all the necessary prerequisites for any course in which they wish to enroll. Students admitted to the program are treated as new students each semester attended; and are eligible to register during the open enrollment period.

BENEFITS OF THE PROGRAM

- The ability to get ahead and earn college credit while still in High School.
- No tuition costs - Student is responsible for books and materials required for the course.

ELIGIBILITY

- A student may qualify for the program with a cumulative high school GPA of at least a 2.5 (Juniors and Seniors) and a 3.0 (Sophomores).
- Approval from the high school principal, a high school counselor, and a parent ARE REQUIRED.

THE APPLICATION PROCESS

- High school students must begin the process with their high school counselor.
- State Center Community College District (SCCCD) Admission Application is available October 1st for spring, & April 1 for summer/fall. (Please note - An online Admission Application is only needed for new students to the High School Enrichment program. Students who've participated in the previous semester do not need to complete this application.)
- High School Enrichment application with all required signatures (each school has their own). Your high school counselor must assist you in the selection of your requested course(s). This application is required for each term you wish to take a course.
- A current and complete High School Transcript.
- FERPA release form (included in application packet) is required before a student can register for classes.
- Bring or email completed application and all supporting documents to the Student Services Office at the community college.
- Once your application has been approved by the college, it is **your** responsibility to go to the Admissions and Records Office to register for your courses. Not all courses listed in the schedule are available to High School Enrichment students. Email submissions may be accepted.

To view information about these courses, go to the website of your choice and click on "Admissions & Aid" → "High School Enrichment"
