

C.A.C.H.E. Enrichment Day Co-op

Fall 2023 Registration

Fall Term: September 22nd – November 10th • 8 Weeks of Friday Enrichment Classes • 10:00 - Noon
Charlotte Church of Christ, 64 Vansickle Dr, Charlotte, MI 48813

Enrichment Day Expectations:

“**Enrichment Day**” is a cooperative effort on the part of C.A.C.H.E. homeschooling families who desire to work with other homeschooling families in the Body of Christ to enrich our children’s education. Classes will be coordinated, supervised and led by homeschool parents. Programs will operate on a co-op basis, so every adult is expected to be an active participant on one team (see options below) - sharing input, ideas, planning and presenting material, and assisting however needed. When children are present, a parent from that family must also be present in the building (unless prior arrangements have been made with the Support Team.)

Enrichment Day Goals:

1. To glorify God as we represent both Christ and homechooling in a positive light to the community.
2. To exhibit and grown in Christ-like behavior in our attitudes, actions and words as we interact with others.
3. To experience fun and fellowship as friendships are developed with like-minded peers while we learn and work together.
4. To provide supplemental learning opportunities to enrich our children’s education in the areas of physical education, the arts, life skills, and other electives.

CLASSES

Join us this fall to build friendships and develop our skills in apologetics! We will be using the Answers in Genesis VBS curriculum Keepers of the Kingdom: Standing Strong in Today's Battle for Truth. There will be many engaging activities including:

- Truth Talks
- Treats
- Games
- Crafts
- Science activities
- Music
- Memory Verses

Enrichment is geared toward the middle school and younger ages and is designed to provide a purposeful environment to learn together but also create opportunity for our kids to develop friendships and grow in their relationships with Christ and one another.
