Christian Homeschoolers of Northern Michigan

Curriculum Night

Calvary Baptist Church
225 S Wisconsin Ave, Gaylord, MI

Tuesday May 16, 2017

6:00pm - 7:30pm

We have included additional details and guidelines which we hope will help the night go smoothly and provide each of you with opportunities to review, buy, or sell curriculum, gain new ideas, and meet fellow homeschoolers.

SCHEDULE:

5:00-5:45pm SETUP

Bring any books you want to sell (please see information below on how all items need to be marked). We also encourage you to bring other materials for the "Book Browsing" area....curriculum or resources that you use and are willing to show to others.

6:00 - 7:30pm USED CURRICULUM SALE

7:30pm PICK UP YOUR UNSOLD BOOKS

COST: We are asking each seller for a \$5 contribution to help with costs for this night. If you are only selling a few small items you do not need to pay this fee.

ITEMS ACCEPTED: You can bring any number of items as long as they are homeschool related.

How to label your items...

Before you bring your items to sell, you must have them marked legibly with a secure, but removable price card (at least 2"x2") with the following information:

Title of Item (example: Abeka Health, Grade 1)
Grade (Make sure the grade/level is very visible, if applicable.)
Your Name (very legible...to be credited for the sale)
Price

Suggestions:

- *A post-it note (3"x3" or larger) placed upside down sticks nicely inside the front cover.
- *An index card works well if placed inside the cover, secured with removable tape, and with about 1" sticking out the top of the book.
- *Please do not tape price tags to the outside of books as we have had these fall off during shopping.
- *Please be careful that your pricing cards are secured, but will not cause damage when removed.
- *Smaller, insecure pricing has more potential to get lost during the shopping process.
- *If you have items that are considered as a "set" or "bundle" please have them held together very securely with a rubberband.

Used curriculum set-up...

Please check in at the cashier table when you arrive. We will need your name and address for mailing your check as well as your \$5 sale contribution at this time.

You may begin setting your books in the designated areas. We will have tables marked for specific grade levels as well as tables for general Art, Music, Science, History, Games, Free Items, etc. Please place your items on the appropriate tables.

At 5:45pm the area will be closed, so be sure to give yourself the time you need to get your books set out in their designated areas.

The Sale...

The Used Curriculum Sale will open at 6:00pm. We will have cashiers handling the sale of your books so you are free to shop and make your purchases..

After the sale ends, you will need to pick up any of your books that were not sold. If you cannot be there to pick up your books, please arrange for another person to take care of them. We cannot be responsible for books that are not picked up.

We will send you a check for your sold books.

***Please be sure that all your materials are marked appropriately and securely and placed in the appropriate area. CHNM is not liable for any damage or loss of materials.**
