Dear Graduates and Families:

As you know, HERI (Home Education Resources and Information) is
a non-profit organization run mostly by volunteers.

Last year we began requiring all HERI member graduates/graduate
families to volunteer with HERI to participate in the Graduation
Ceremony. This year we will be expanding that requirement and
allow HERI-members to pay the additional non-HERI member fee of
\$30 to “buy-out” of this requirement.

Please complete the volunteer form and attach it to the Graduation
Registration form.

If you are not sure where your volunteer services are needed this year,
please email herigraduation@gmail.com for a list of volunteer needs
prior to filling out the form.
