## WORKSHOP DESCRIPTIONS

### KEYNOTE #1

**"Spiritual Warfare: The Fight for Your Family", Chuck Black**—Choosing to homeschool puts our families on the front line of spiritual warfare. With most evangelical Christian young people leaving their faith when they leave home, something is wrong in our tactics in fighting the enemy. But, we can live in victory! God gives us everything we need to prepare our children for the spiritual battles to come. Trained as a military warrior, Chuck offers insight, training, and strategies for advancing the kingdom through spiritual warfare.

### Workshop #1

**"Getting Started in ND", Theresa Deckert**—Theresa will cover the ND requirements for home schooling and will give practical hints for lesson planning and record keeping. This is the place to start if you are just beginning the home education journey or are just "checking it out."

**"Developing Discernment in Your Child", Chuck Black**—The Enemy is a master at deception and often times our children fall prey to his lies. Teaching your child the ability to discern Truth is critical to spiritual survival. Chuck offers sound advice and some practical tips on how to develop spiritual discernment in your children.

**"Preparing Transcripts", Llora Knight**—This workshop will give suggestions on how to create transcripts for your high school students as well as offer creative ideas on life experiences and extra curricula activities that can be used for credits.

### WORKSHOP #2

**"Teaching Multiples", Llora Knight**—

**"Leaving the Classroom Mentality", Theresa Deckert**—Most of us attended a school with a traditional classroom set up. Because that is what we are familiar with, that is the approach we often bring into the homeschool setting. This workshop will help you to think outside of

the traditional classroom mindset and towards something that will work better for the homeschool environment.

**"CLEP/Dual Credit", Kathy Miiller**—T

### KEYNOTE #2

**"Dealing With Doubt", Chuck Black**—As parents we have an obligation to equip, prepare, and launch our children into the world fully capable of standing against the spiritual attacks and waves of doubt that they will often face. Discover how to discern if doubt is something your child is dealing with and learn a few basic principles on how to help them overcome and live a faith-filled life, even as a youth.

### WORKSHOP #3

**"Mentoring Moms Q & A Panel Discussion", Theresa, Llora, Kathy**—Join some of our veteran homeschooling moms for a time of encouragement and discussion. Bring your prepared questions on a slip of paper or just come ready to ask your questions and "pick their brains" on all things homeschooling from choosing curriculum, managing time, guarding against burnout, etc.

**"Courageous Fatherhood", Chuck Black**—There is a spiritual war being waged for our families. Dad, if you don't fight for your family, no one else will. Only you stand between the enemy and your family, for God has given you the authority and the responsibility to stop him from destroying your marriage and your children. This takes courage, but your calling is noble...it is God's call to arms. Chuck offers straight answers and practical help for dads who are looking to protect, train, equip, and launch soldiers for Jesus Christ.
