ENROLLMENT SURVEY — *6TH-12TH Grade Program

(*Students must be at least 11 years old by September 1ST.
Otherwise, they will be admitted only with staff approval.)

2020/2021 Co-op Year

(Surveys completed and returned by March 15th
will be considered in the final schedule offerings.)

Dear PIONEERS Families:

Thank you for your interest in our PIONEERS program. Planning for the 2020-2021 academic year is underway and preparations are being made for **ON-LINE Early Bird Registration**. Watch your PIONEERS announcements for additional registration information as it becomes available. Please note that **you are required to be a JAHE member in order to participate in PIONEERS**. In the meantime, we would invite you to help us with our planning. It is our desire to offer classes that support your family and to create a schedule that accommodates the majority's needs. Classes are only offered if there is sufficient interest, so we are asking for your input. Please take the time to complete and return the attached survey. Be assured that this is only a survey, and you are under no obligation to take any of the classes selected. Also, please feel free to add any personal comments or constructive criticisms you may have about the program (class offerings, schedule, policies and procedures, staff, etc.) on the back of your survey. It is our desire to provide the most excellent tutorial support program within the parameters of our budget, time-frame, and staff availability. Your input is important and always welcome.

If you have Adobe Acrobat Reader on your computer, you may be able to complete the survey on your computer and e-mail it back to us. If you have that capability, simply open the attached pdf, scroll down the right hand side column and **CLICK "Fill In & Sign."** This will allow you to fill the survey out on your computer and e-mail it back to us at (kpsailor79@gmail.com). If you do not have this capability, simply print your survey off or pick one up at the monitor station, complete it and return it to PIONEERS by March 15th.

To complete your survey, fill in the name and grade of each student you would like to participate in PIONEERS for the 2020-2021 Co-op year. Also, indicate the number of classes that you ideally would like for him/her.

Next, look over the possibilities of classes listed on the attached **Class Options** sheet. It can also be found on the top tool bar of the Members Page on the PIONEERS Website at www.pioneerstss.com. Then fill in your most desired choices in the Choice #1 section for that student. (You may abbreviate class names.) **Choice #1 selections should reflect the ideal schedule that you would create if you could.** If you would like your student to take two English classes or two art classes, note that in comments. List as 2ND choices the classes that you would want to take if your first choice is unavailable. **Please be especially alert to classes that are only offered one semester and indicate on your form what your student would do for the remaining semester(s).** Otherwise, your student will be assigned to a study hall to make up any "odd" semester(s). Also note any other preferences or comments that would communicate your student's situation. Be sure to check the box marked NONE if you plan to teach that subject at home or elsewhere. **If you would like additional information on a PIONEERS class, please see the *Class Descriptions* also attached to this e-mail.** Please note that descriptions for some classes are still being developed or are under review. That updated information will be posted on the website as soon as it becomes available. Just go to the website and click on **Overviews & Class Descriptions** listed on the left-hand side-bar of the Member Page. Individual overviews are arranged by subject and grade-level.

A sample survey:

Note: Number of choices in 1ST choice column should equal the total # of desired classes. 2ND choice column is for the classes that you would consider if all of your 1ST choices are not possible due to scheduling conflict or lack of interest. Other comments will help us understand your situation.

Thank you for taking the time to complete the survey. If you would like your selections to be considered in the final schedule offering, please return completed surveys to the labeled file folder at the monitor station by Wednesday, March 21st, or e-mail Patti at kpsailor79@gmail.com by Friday, March 15th. Thanks for your interest in PIONEERS!
