

AFFIRMATION AGREEMENT

I hereby affirm that I have read the Branches Statements of Mission, Faith, and Education, the Guidelines and Standards, and the Code of Culture and have discussed these items with my children. I certify that I consent to and will submit to all policies and standards of this group, and I acknowledge that violation of these terms will carry consequences that could include dismissal from Branches.

I understand that admission to Branches is a privilege, not a right, and admission for one year does not guarantee automatic admission for future years.
