

HCS Spring Formal Conduct & Dress Codes

HCS wishes to express our heart's desire for each student attending the Harvest Spring Formal to have a wholesome evening of fun and fellowship, while ensuring that God is glorified and honored. These guidelines are not meant to burden, but rather to set boundaries that will allow all to enjoy the freedom we have in Christ.

If you have any questions, please contact Elizabeth Taylor (334-797-2846).

Code of Conduct

1. Public displays of affection are not permitted. This includes kissing, caressing, extended embracing, sitting on laps of opposites sex, etc.
2. Due to COVID restrictions, there will be no slow dancing allowed. Dance etiquette is expected. This means no provocative movements of any kind. Appropriate distance between dance partners is required. (Let's leave room for Jesus.)
3. All students must remain within the marked perimeters of the premises until the conclusion of the dance. Students should not leave the dance early unless their parents have given PRIOR permission. Once a student leaves the dance, they will not be allowed back in.
4. No alcohol, drugs, or weapons of any kind will be permitted.
