STEP
Southeast Texas Educational Partnership
2920 Lake Arthur Dr.

Port Arthur, Texas 77619

Dear Southeast Texas Business Owner,

We invite you to join others in the community in sponsoring and supporting

Lighthouse Home School Athletics

for the 2026-2027 Athletic season.

By contributing to this program, you will be promoting athletic and other educational enrichment opportunities for homeschool students in the Southeast Texas region. We currently offer basketball, volleyball, tennis, golf, and our new cross-country and track for middle school!

LHSA is a program of STEP, a 501(c)(3) non-profit charitable educational organization partnering with parents, schools, educators, and even government officials to help families make the best and most informed decisions as they seek educational options for their children. LHSA is also a founding member of Coastal Christian Athletic League (CCAL), a middle school league that provides excellent competitive opportunities for private school athletes in Southeast Texas and Southwest Louisiana.

Your contribution through a program ad or a donation will be used to sponsor the program by:

- Helping maintain low participation fees, making our program available to more players
- Allowing us to provide meaningful competition, tournaments, and awards for players
- Providing a program that helps participants develop skills that will help them perform at their best in every aspect of their lives
- Helping cover the cost of coaching, league fees, referees, and hosting

Through sponsor banners, directory ads, social media shout outs, and our website gallery, your business will not only contribute to our program, but will benefit from exposure to hundreds of players, their fans and families. Choose a sponsor opportunity from the attached chart* and be a part of a great, growing athletic program. (Please note: all or our sports and educational sponsorships are charitable tax deductible.)

Thank you for your consideration and generosity,
