

*St. John's Home Educators
Community Prayer*

Most gracious and loving Father, keep us united in You and in one another as we strive to do Your Holy Will and work together for the good of our families and our community. May all of our thoughts, words and actions be rooted in Love as we encourage and pray for one another to know, love, and serve You on our path to Heaven. Please grant our leaders the gifts of wisdom and generosity as they guide us on this journey. We pray for the protection of Saint Michael and through the intercession of our patron saints, Joachim and Ann.
Amen.
