Pre-teens Assisting at Teen Dances/Lessons

Pre-teens (11-12 yr. olds) may attend the teen dance lessons and/or dances when their parents are helping out as chaperones. The pre-teens would not be permitted to engage in the dance lesson or dances, but would help the adult chaperones where needed such as helping with kitchen prep or keeping food items stocked, filing permission forms alphabetically, cleaning up, etc. No more than two pre-teens will be permitted at a single event and must be "cleared" by the dance committee.
