

Heritage Homeschoolers Inc.

2019-2020 Membership Handbook

On behalf of the Heritage Homeschoolers family, we would like to welcome you! We're excited that you chose Heritage, and we look forward to offering support for your homeschooling journey. Your membership offers your family a fun-filled opportunity to learn from and explore with like-minded families.

This handbook serves as a resource for you to read and refer to throughout the year. It includes our Vision, Membership Requirements, Event Planning Process, Code of Conduct, and various other resources to help you get the most from your membership.

Group Overview

- **Vision:** Heritage Homeschoolers Inc. is a local non-profit support group for black homeschool students and their families in Cobb County, Georgia. We strive to create a sense of inclusive community, belonging, and relationship for black homeschooled children, their parents/caretakers, and other homeschooling families who share this vision.
- **Activities:** Our group meets regularly for enrichment activities, service projects, field trips, park days, indoor activities, book club meetings, play dates, family events, celebrations, educational “road trips,” a mom’s retreat and Mom's & Dad’s Nights Out. Along with the activities planned by the leadership team, additional activities are determined based on the needs and desires of the group with each family having opportunities to plan and/or help with events.
- **Ages:** We serve homeschool families with children in K through 12th grade. Member families MUST have at least one currently homeschooled child. Families with four-year-olds must have every intention of homeschooling beyond the initial membership year. Families without at least one homeschooled child will not be grandfathered into the group.
- **Location:** While the Marietta-area of Cobb County is our home base for meetings and most events, we do have activities throughout the county and explore all of Greater Atlanta and beyond on our field trips. Cobb County residency is not a requirement for membership.
- **Guiding Principles & Culture:**
 - *Varied* - Different types of activities on different days & times
 - *Accessible* - Lots of free & low-cost activity options
 - *Wholesome* - Clean environment with trusted adults and well-behaved children
 - *Targeted* - For K-12 with accommodations for younger siblings
 - *Centralized* - Cobb County home base but residency not a requirement
 - *Inclusive* - Open to all who successfully progress through membership process
 - *Flexible* - No mandatory attendance; minimal meetings
 - *Participative* - Every family has an opportunity to plan and help with activities

Membership Requirements*

Prospective members must complete the following steps before being considered for membership:

- Complete online information form by following the 'Request Membership' link below the login box at the bottom of the HeritageHomeschoolers.org homepage.
- Complete membership application: <https://form.io/form.com/82220856184154>
- Pay annual membership dues of \$65 per family: <http://www.paypal.me/PayHeritage/65>
- Review the Code of Conduct. Membership is contingent on adherence to the Code.
- Complete a brief phone call with someone from our leadership team.
- Upon acceptance, family must sign up to host/help with an event OR pay \$20 activity fee prior to receiving website access. These are the only options and they apply to every member family – no exceptions.

Following successful completion of these steps, new members receive an email confirming membership and activated website access.

** Membership is open to new members & renewals Aug 1st – Aug 31st and Jan 1st – Jan 31st of each year. Dues will not be pro-rated.*

Membership Renewal

- July 1st – Current members will receive a list of events that they will have the opportunity to choose to host or help with when they renew in August.
- **August 1st** – Membership renewal period opens. This is the first day to renew your membership and sign-up for a volunteer slot.
- **August 31st** – Membership renewal period ends. Members who have not completed the full renewal process by this date will be “parked” on the website (unable to sign up for events) until registration re-opens in January 2020.
- Renewal process: Go to August 1st calendar entry, choose a sign-up option, and pay. Options:
 1. Pay \$65 and sign up to host or help with an event upon sign up.
 2. Pay \$85 (\$65 dues + \$20 activity fee)
- Families that choose Option 1 above but do not sign up for an event will be parked on August 31st, even if they’ve paid the \$65 dues. Every family must commit to planning or helping with a specific event from the list upon renewal or pay the \$20 activity fee.

Event Planning Process

- Heritage thrives on community-based event planning, so we require each family to plan or help with at least one event during the year. Alternately, families can choose to pay a \$20 activity fee up front in lieu of signing up to host/help with an event. We value our families and their time and want to make sure we spread our planning efforts across the board. Events can be planned at your convenience and based on your family's preferences. Sign up to volunteer here: [Form Live on Aug 1st.](#)

- Families who sign up to volunteer and find they can no longer fulfill the obligation are responsible for swapping or finding a substitute for their volunteer commitment. **Families that sign up to volunteer and do not fulfill their responsibility will be assessed a \$25 fine.** The fine must be paid within 30 days or the family account will be “parked” on the website pending payment. While parked, families will not have access to the calendar or be able to sign up for events.
- To plan an event, please complete this form. It will come to the Heritage email, and we’ll respond with follow-up questions and/or add it to the calendar. <https://form.jotform.com/HeritageCobb/activity-form>
- **Event planning tips:**
 - You must complete the event planning form. Feel free to ask questions beforehand, but events will not be added to the calendar based on emails, texts, or Facebook messages.
 - Look at form before contacting a facility so you gather all necessary info.
 - Plan ahead. Last minute activities are hard to schedule, usually not well-attended, and better served as FYI mentions on the Forum and/or FB page.
 - Check the calendar before submitting form to ensure we don’t already have activities for your age group that day or too many activities in that week.
 - Balance paid activities with free & low-cost (under \$10) activities.
 - Avoid activities with high minimums and narrow age bandwidths. Example: We may be able to meet a minimum of 15 students, but not 15 third graders.
 - Generally, only exclusive/proprietary activities will be added to the website calendar. Please post public event “let’s meet here” options on FB or website forum. There are some exceptions so please ask if you’re not sure.
 - Do not submit forms for personal events (i.e. birthday parties) as these will not be added to the calendar. Bringing treats to an event to informally celebrate a birthday is fine, but the event itself cannot be an activity/party to celebrate a single child. Use directory to send individual invites for parties.

Fundraising

Raising money for the group allows us to keep the membership dues low and offer more free activities for our member families. Please help our ongoing fundraising efforts by participating in the following opportunities:

- **Kroger.** Sign up for a free rewards card at any Kroger or online and then link your card to the Kroger Community Rewards Program at [Kroger.com](https://www.kroger.com). New users will need to create an account. Once logged into your Kroger account, you can search for Heritage Homeschoolers Inc, either by name or NPO #: TY757 and then click “Enroll.” Every time you use your rewards card when checking out at Kroger, Heritage will receive a small percentage of your total purchases.
- **Amazon.** Follow this link to make Heritage Homeschoolers Inc your preferred non-profit, shop through the link every time you visit Amazon.com, and Heritage will automatically receive a small percentage of total purchases. Unfortunately, this offer does not apply to purchases made via the app, but you can add items to your cart via the app and check out from the website link. <https://smile.amazon.com/ch/82-2905949>

- **Box Tops for Education.** Buy participating products, clip and collect the box tops, and turn them in at any major Heritage event. Heritage will receive \$0.10 for each collected box top. This program includes so much more than just cereal boxes! Here is a list of participating products: <https://www.boxtops4education.com/earn/participating-products>
- **Donations.** Heritage Homeschoolers Inc is a 501(c)3 non-profit organization, and 100% of the membership fees you paid are tax-deductible. To make a tax-deductible donation to Heritage, please use www.paypal.me/PayHeritage as 'friends & family'. Be sure to include "Donation" in the notes so we'll know what the money is for. You will not receive a payment receipt for donations under \$600, so make a note for your records.

Please spread the word to family & friends as these are such easy ways for us to raise money to make our events nicer and less expensive for our member families.

Event Signups

- **Website calendar**
 - The website calendar is the heart of this group, and 100% of your activity signups should occur on the website. The events are posted on our member FB page for your convenience but signing up on FB doesn't count. You're not signed up for an activity unless you're signed up on the website.
- **Cancellations**
 - If an event is cancelled, those who have signed up on the website will receive an email.
 - If you can't make an event, please officially cancel on the website as early as possible so we can plan or postpone/cancel if needed. This is very important so we'll know who to expect and don't waste money, time, and effort prepping for someone who is not coming. Some events also have waiting lists, so not showing up may unnecessarily prevent others from participating.
 - Not paying by the deadline is not an appropriate way to communicate your cancellation. If your plans have changed and you're not coming, please be courteous and cancel on the website.
 - Those who repeatedly don't cancel on the website will be given a reminder. If it continues, they will be blocked from signing up for activities for 30 days.
- **Refunds**
 - We often cannot give refunds for Heritage events. We frequently have to pre-pay for group events and tickets, or we must commit to a certain number of participants ahead of time to get a group rate or make a reservation. Other times we've already ordered and/or paid for supplies or food based on the reservations/payments received. We try to be flexible, but please don't assume that refunds will be given when you cancel a reservation.
 - You are welcome to post on forum/FB page to try to sell your tickets/spots.
 - When refunds *are* given, they're usually all processed once a month so there may be a delay before seeing the refund in your Paypal account.

- **Payments**

- Activities requiring pre-payment should be paid on the website. Ideally, you should pay when you sign up. If you choose not to pay upon sign-up, it is up to you to put the payment deadline date in your calendar, login, and go to your account and pay in time.
- Whenever possible, pay for everything through the Heritage website. In some instances, you will have to pay for something directly via Paypal. When that occurs, PLEASE INCLUDE A NOTE with your real first and last name and what you're paying for. Sometimes we receive transactions from unknown Paypal accounts (business names, nicknames, etc.) with no notes. We don't know who they're from or what they're for.
- The direct Paypal link is www.paypal.me/PayHeritage (always choose "friends & family").

Group Communication

- **Website:** www.HeritageHomeschoolers.org

- **Calendar:** The official group calendar is the heart of our group, and this is where it is housed. Please use the website to sign up for all events.
- **Auto-emails:** When you sign up for certain calendar events, you will receive an automated email confirmation and an automated reminder 2 days before the event. You cannot turn these off. You also should receive a weekly email every Saturday morning with a list of upcoming activities. You can turn this off in your profile, but please don't. In your profile, you can also determine whether you want to receive an email of every post on the website forum, a once-daily digest with a summary of all posts for that day, or no email. We suggest you receive at least a daily digest so you don't miss important messages posted to the forum.
- **Targeted emails:** Please make sure that your primary email is listed in your website profile so you don't miss information. We send out emails through the website regarding updates or changes to calendar events that you've signed up for. We also send important group announcements through the website. These emails go to whichever email you have in your profile.
- **Secondary contact email:** If your spouse would like to receive email notifications and updates from Heritage, please add him to your profile under "secondary name" and select his preferred notification settings. He will not receive updates for events unless he is the one who signed up for the event, but he can receive other general communication.
- **Other website features:** Though the calendar is the heart of the website, the website has other helpful features:
 - **Classifieds:** You can post things to buy/trade/sell to other Heritage families. You can adjust your profile settings to ensure that you receive emails of all Classifieds right away.
 - **Business directory:** Many of our families own businesses. Please post them to the website business directory so we can all support you and spread the word! This is a new feature, so there's not much

there yet. Please help us populate. Other relevant businesses that you'd like to recommend to our group can also be included and categorized – even if it's not one that you own.

- **Forum:** The website forum is a posting board where members can communicate about a variety of topics. It is broken up into categories so you can quickly post in and find the most relevant areas. Please remember that some of our member families are not on FB at all or rarely check FB, so you will need to post in the forum if you want everyone to see your message. Please adjust your account settings to receive Forum posts via email. You can receive every post in real time or choose to receive a once-daily digest with all posts from the previous day.
- **Member directory:** If you opted out of including your contact info in the group directory, please reconsider and update your profile to opt in. The member directory is only accessible on the password-protected website, and it is the only way other members can get in touch with you.
- **Kids' birthdates:** If you skipped the kid birthdate question on your profile, PLEASE go back in and fill it out. Without the birthdates, we have no way of knowing the ages in our group, making it difficult to plan.

- **Member Facebook**

- We have a members-only FB group that is ONLY for official paid Heritage moms & dads and is purged annually. Please request to be added.
- If your husband is on Facebook, please encourage him to join our official FB group page so he can stay in the loop with our group and what our dad crew has going on. If not, be sure to share details with him whenever dad events are added to the calendar. We want to make sure Heritage dads have community, too!
- If you do not have a FB account, you can still fully participate with the group by relying solely on the website. However, there are articles, updates, polls, opportunities, and discussions on the FB page that you will miss so you may want to consider creating a “fake” account just for access to the Heritage page.

- **Public Facebook:** <https://www.facebook.com/Heritage-Homeschoolers-of-Cobb-County-2063617220626613/>

- This page is open to the public, and it's strictly used for marketing purposes. It's just a way for people to find us. If you have questions about homeschooling, events, etc. please use the website forum or post on the official member FB page.

Hospitality

- Our Hospitality volunteers serve as a “welcome committee” and ensure the group is acknowledging and meeting the needs of families going through life changes – both celebrations and crises. Periodically, you will be asked to step up and volunteer to deliver a meal or help in some other way as we support one another.
- If you are expecting, our Hospitality team wants to know about it! Please email tika.clarke@ymail.com with your name and due date so we can keep up with your exciting news.

Group engagement

- Please remember to be warm and inclusive at events as we will always have a range of families and individuals to learn and grow with. Reach out to new people and get to know others who have been around a while!
- As we strive to make the group an inviting and comfortable space for both new and old members, please remember that deeper relationships take time to evolve, and the best way to feel a sense of belonging is to get involved on a regular basis. The more you engage, the more quickly you and your children will build friendships.

Heritage Book Club

- The Heritage Book Club usually meets monthly on 2nd Sundays at 3pm-4pm. The kids are broken up into groups by age and/or appropriate preferred reading level, and the groups meet separately (in different rooms) and concurrently (at the same time). To sign your child up for book club, or to renew for the new year, please follow this link: [Form Live on Aug 1st.](#)
- Location: Noonday Baptist Church (4121 Canton Rd, Marietta, GA 30066). Park in the back and enter main entrance. Enter lobby and turn left into rooms 117-121.
- If you sign your child(ren) up, we're asking that you commit to fully participate by regularly attending book club meetings, as able.
- Students select their own books the months that they lead, but the books must all be submitted during the August planning period.
- Please remember to sign up on the calendar for book club each month if you plan on attending. Sign up at least 2 days prior to book club, and if you need to cancel, please do so on the calendar as well. Accurate headcounts help immensely as the group leaders need to know how many kids to expect/how many supplies to bring.
- While we encourage students to get the most out of book club by reading their books (or parents read aloud or provide audio versions), your children can still attend book club if they haven't completed the entire book.
- If you have a child that you think could be moved to a different book club, please feel free to let our book club coordinator know. The book club ages aren't set in stone. Your child can also move groups for certain months, based on the book selection. Just be sure to sign up for the correct group on the site each month.

Ages & Stages

Heritage is a family-friendly group comprised of families with mixed-aged children, so many of our events are open to all or most ages. However, we recognize that our kiddos also have needs/desires for targeted age-specific activities.

- Preschool parents, please be mindful of what your child can and cannot handle and use your discretion and best judgement based on your child's level of maturity as to whether an activity or event is appropriate for them. We have several events on the calendar open to our Heritage Littles, and we'd love to have more!
- Parents with children of multiple ages have special circumstances and smaller siblings are often welcome to tag along. Please feel free to confirm with the organizer of the event or activity if you have any questions.

Mom's Night Out

- If you'd like to host a Mom's Night Out (MNO) this school year, you will be responsible for completing an event planning form at least 4-6 weeks prior to your scheduled event. Volunteer to host here: [Form Live on Aug 1st.](#)
- For the actual event, you have the freedom to choose a menu of appetizers/finger food only, dessert only, tea & coffee only, dinner food, etc. - Feel free to make it potluck style! You can have a theme, plan icebreakers or conversation starters, or just have a low-key time of chit-chat among new and old friends. We've had a variety of MNO formats, and they've all been great. The most important thing to remember is that the point of MNO is fellowship and getting to know each other, so your event must allow for that first and foremost.
- Please be mindful that we aim for most MNO's to be free. Occasional paid options are fine (\$15 max), but they need to be balanced and spread out from each other on the calendar. If you know that you're planning something that moms have to pay for, please write it in the comments of the sign-up form so someone else planning to do the same won't pick a month near yours.
- Minimal is best. Moms enjoy the opportunity to relax and chill, so MNO should be just that. Intimate settings like homes are preferred but coffeehouses and some other locations also work. Please try not to select activities that will limit the number of participants.

Tips for Success

- Don't overschedule your family.
- Look out at future months and mark your calendar to avoid scheduling conflicts.
- Get a Paypal account.
- Mark payment deadlines in your calendar.
- Update website settings to receive communication from the group.
- ALWAYS cancel on the website if you can't make it.
- Understand our refund policy.
- Get involved!

Anti-Bullying & Harrassment Policy

Heritage Homeschoolers does not tolerate behavior that infringes on the safety of any student or parent. A student or parent shall not intimidate, harass, or bully another student or parent through words or actions. Such behavior includes but is not limited to: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation. Parents should discuss this policy with their children and assure them that they need not endure any form of bullying. Students or parents who bully or harrass are in violation of this policy and are subject to disciplinary action up to and including removal from events, temporary membership suspension, and revocation of membership.

Conflict Resolution

Due to the size of our group, it is impossible for leadership to moderate every disagreement or difficulty that arises between individual members. Before involving Heritage leaders, please go directly to the one with whom you have conflict. The following steps can assist you with resolving conflicts with other members:

- Do not assume intentionality.
- Agree on a time to meet in person or via phone to discuss the issue.
- Define the conflict clearly and stay on topic when discussing.
- Affirm the importance of the relationship and listen carefully.
- Propose a solution that looks out for the interests of others as well as yourself.

When conflict arises between members of the group, we strongly encourage the above steps for resolution. If resolution cannot be made between the two parties, then **issues impacting the integrity and operation of the group** should be brought before the leadership for further discussion and to solicit support in conflict resolution.

Code of Conduct

Please read the attached Code of Conduct. Your continued participation in the group assumes that you've read and agree with all that is included in the document. Please contact membership@heritagehomeschoolers.org with any questions.

Legal Help & Support

We recommend that homeschooling families join HSLDA. Even if you never experience legal trouble yourself, your HSLDA membership will help defend our right to homeschool here in Georgia. Membership in HSLDA also provides personal access to the legal staff; HSLDA's experienced high school, special needs, and Toddlers to Tweens consultants; and discounts through HSLDA's PerX program. (For more information about HSLDA's many benefits, see www.hsllda.org.) Heritage members save \$15 on the HSLDA membership price when you enter our discount group code **210858** on the HSLDA membership form.

Contact List

Please contact these moms directly when you have relevant questions/suggestions or if you'd like to volunteer in a certain area:

Membership	Jailyn Nicholson	membership@heritagehomeschoolers.org
Hospitality (2)	Tika Clarke Allison Humphrey	tika.clarke@ymail.com humphrey.allison@gmail.com

Attachment 1

Heritage Homeschoolers Members' Code of Conduct

Heritage Homeschoolers of Cobb County is a non-profit homeschool support group with the following objectives:

1. To promote and offer members a wide range of educational activities and services that cater to homeschooling families.
2. To support homeschooling families in their educational endeavors.
3. To create a community of black homeschooling families within Cobb county.
4. To cooperate with other clubs or entities having objectives similar to those of the organization and formed for the purpose of fostering and promoting learning and social opportunities for homeschooling families.

Membership is contingent on adherence to the Code of Conduct.

Members have a right to:

1. Be treated fairly, equally, and respectfully by other members.
2. Socialize in an environment free from all forms of harassment and discrimination of any kind.
3. Privacy and confidentiality in documentation and any other communication containing a member's personal information, unless consent is otherwise provided.
4. Participate in organized member activities within noted event parameters.
5. Be actively involved in planning and executing activities and/or events for organization.
6. Plan events upon approval of submitted activity form.
7. Respectfully voice their opinions and suggestions, and if possible, come up with helpful solutions.

Members must:

1. Treat other members, guests, staff of venues and other patrons (where functions are being held) fairly, equally, respectfully and courteously.
2. Act responsibly and ensure they conduct themselves in a manner which will not injure the reputation of the organization.
3. Not physically or verbally harass other members.
4. Respectfully, calmly, and privately try to work through disagreements before involving leadership.
5. Abide by and uphold the Code of Conduct.
6. Pay annual membership fees and any associated costs in relation to an event/activity in which they have committed to in a timely manner.
7. Cancel sign-ups on the Heritage website and notify event leader directly of any attendance changes within 24 hours of the event.

Breaches of this Code of Conduct:

1. Any member not acting within accordance of the terms of the Code of Conduct at an event may be asked to leave the function and will not be entitled to a refund of any monies paid.
2. Constant inappropriate behavior (3 or more violations) of any members will be discussed by leadership. An appropriate course of action will be taken, which may include a temporary suspension or revocation of membership.

Attachment 2

Meeting date: Monthly, 2nd Sundays

Meeting time: 3:00PM – 4:00PM

Meeting location: Noonday Baptist Church (4121 Canton Rd, Marietta, GA 30066)

Contact info: Tina Allison (TheAllisonAcademy@gmail.com)

	Littles*	Juniors	Middle grade*
Types of books	Picture books, I Can Read, Early Readers	Elementary chapter books	Middle grade chapter books
Recommended ages	3-5 years old*	6-9 years old	10-14 years old

Age recommendations are provided merely as guidelines. You know your child best, and you can choose which group to place them in based on reading level, maturity, and topic/discussion appropriateness.

***EXCEPTIONS:** The minimum age for Littles participation is 3 years old, and the minimum age for Middle Grade participation is 10 years old.

Helpful resources for determining placement:

- Navigating Middle Grade Books: <https://bit.ly/2KHTucl>
- Middle Grade vs. Young Adult: <https://bit.ly/1r6bp1q>

The goals of Heritage Book Club are to:

- Foster a life-long love of reading
- Provide a fun environment in which to safely build lasting friendships
- Promote opportunities for leadership and public speaking among peers
- Expose children to a variety of literary styles, authors, and genres
- Enhance literacy skills and increase vocabulary

Membership Requirements (*subject to change*):

- Participants must be current members of Heritage Homeschoolers.
- Parents are encouraged to stay for the meetings but can drop off, if necessary, after making arrangements with another specific parent to supervise the child.
- Book club is free but parents are required to provide a copy of each book for their child.

Meeting Format (1 hour):

- **10 min:** Group check-in with ice-breaker question or general conversation
- **25 – 35 min:** **Child-led** book discussion facilitated by child/parent team (rotated monthly)
- **15 - 25 min:** Snack, craft, game, or activity based on the book

Ground Rules (Please review your child):

1. Come prepared to discuss the book.
2. Allow the child facilitator to lead the meeting (with help, as needed).
3. Be a good listener and participate in the discussion.
4. Raise your hand if you would like to talk.
5. Be respectful of your friends.
6. Ask questions.
7. Feel free to disagree with your friends but do it respectfully.
8. Have fun!

General Guidelines:

1. **Meetings are led by the children** (with help from parents, as needed). If you find that you're unable to attend the meeting that you and your child are scheduled to facilitate, **it is your responsibility to find a replacement** ahead of time.
2. Please encourage your children to remain open-minded about books they may not normally choose themselves. The diversity of thought/choice is one of the alluring aspects of a book club.
3. If your child does not enjoy a certain book, please have them come to the next meeting prepared to discuss specifically why they disliked the book, what they wish the author had done differently, how the book compared to other books that they've read, etc. rather than just "I hated it." Disagreement is expected/healthy. Being disagreeable is not.
4. All groups are mixed gender with boys & girls meeting together. We may decide to break out girls and boys into separate groups at some point, but they will meet jointly for now.

5. The meetings are only an hour long and latecomers can be distracting, so **please make every effort to arrive on time.**
6. Feel free to read books aloud, tag-team read with your child, or utilize an audio book if a title is chosen that is above your child's current reading level or if your family just wants to enjoy sharing a book together. That's TOTALLY OK!
7. At the end of each meeting, please make sure your child sees Tina Allison (or Amber Johnston, in her absence) to receive their book charm (1 per child, per meeting).
8. Please remember that this is supposed to be a stress-free fun enrichment activity for the children & parents. **Let's keep it sweet & simple.**

Book Selection Guidelines:

1. Books are selected ahead of time based on child/parent recommendations.
2. **All books must absolutely be age-appropriate and family-friendly.** If in doubt regarding questionable or mature content, it's likely not an ideal book for the group. If you're not sure, PLEASE consult with the other parents in your group before recommending the title. Our families have varying philosophies on when and how to expose their children to sensitive topics or language, so please make a reasonable effort to respect the boundaries of your group.
3. Unless otherwise agreed upon by the parents ahead of time, the Juniors and Middle Grade book selections should be chapter books in order to provide a healthy challenge, plenty for the children to read over several weeks, and enough substance for a good discussion during the meeting.
4. **Please consider a variety of genres:**
 - Biography
 - Adventure
 - Historical fiction
 - Fantasy
 - Mystery
 - Non-fiction
 - Humor
 - Realistic fiction
 - Folk tales
