

LAH (Lebanon Area Homeschoolers) Rockets is a Lebanon and surrounding area based homeschool group that has been around for over 25 years. We are a nonprofit organization committed to teaching the next generation a love of various sports. We currently have girls volleyball, boys and girls basketball teams, cheer, and boys baseball. We are able to operate on the contributions of individuals and businesses. Please consider donating to our Athletes. We will accept money, goods for auction, or items for our concession stand. Thank you,
LAH Athletics
