

Late Registration Details

GHC late registration will be held June 8th from 8am-7pm.

Our website will open on June 4th at 8am to potential members. On the top right side of our homepage, <https://www.homeschool-life.com/2289/>, click on the join button (+ sign on a mobile device), and fill out all your information to join the website. You will also be prompted to read our family handbook and sign 2 contracts. **You cannot register for classes without signing these contracts** (but you can view classes without signing them)! Once you have been approved to the website, you will be able to see our class offerings, see which classes still have space available, and read all the details for each class.

**Please note: joining the website allows you to view classes- there is no commitment until registering for classes. You cannot sign up for classes until June 8th, you will only be able to view classes until then.*

To see the schedule (once you are joined to the website), click on the '26-'27 Course Registration page on the homepage. This is also where you will register for classes on June 8th. On the 8th at 8am exactly, the page will change to include your children(s) names to the right of each class. To register, simply check which student you want to add to the class and click the register box (both will appear at 8am).

Paperwork & Tuition drop-off will be Tuesday, June 9th at 1:30pm at Grace Church of Fredericksburg (in the main lobby). Payments will be due in full on this day including the registration fee, background check fee, and website fee. There are NO refunds with late registration. **Please see the [paperwork & tuition drop-off information for all payment details](#).**

*You can get class tuition/supply fee information by clicking “Balance” in the top right menu. This will show you the tutor’s name and class fee.
