This is a sample of what a day at Hilltop will look like for you and your child/children. You will be part of a Teaching Team and share teaching responsibilities with the other parents on your team. Your child will spend the day with their class. The morning co-op ends after clean-up and lunch.

After lunchtime, the a la carte academic classes begin. ONLY high school-aged children can be left in the building without the attending parent. You must stay in the building during your child's class if they are NOT in high school yet.
