

Which Science???

5 th grade	6 th grade	7 th grade	8 th grade	9 th grade	10 th grade	11 th grade	12 th grade
5/6 th Science				Biology I	Chemistry I Prerequisite: Algebra I	Physics I Prerequisite: Algebra II	
		General Science				Biology II: Anatomy and Physiology Prerequisite: Biology I Recommended Prerequisite: Chemistry I	
		Physical Science Recommended Prerequisite: Pre-Algebra				Chemistry II Prerequisite: Algebra II, Chemistry I	
						Physics II Prerequisite: Pre-Calculus, Physics I	
						Marine Biology Prerequisite: Biology I	
		MS Engineering				Engineering Design I Recommended Prerequisite: Geometry	
						Astronomy	

- Mrs. Kusch's Classes
- Mrs. Strickland's Classes
- Not offered this school year but possibly in the future based on interest level
- bold** - Typically required for graduation (Graduating with Honors requires four years of science, the fourth being an "elective" science. Biology II, Chemistry II, Physics II, Biblical Anthropology, Marine Biology, Astronomy, and Engineering Design all qualify as high school elective science courses.)
