Academic Co-ops are planned, coordinated, supervised, and led by teams of CHES home-school parents. Geared more for the middle school/high school student, however, class offerings from nursery to high school. One adult per participating family is expected to be an active participant on one team for each period in which the family participates.

ENRICHMENT DAYS

Four Different Offerings:

- ◇ **NORTHSIDE**
- ◇ **EASTSIDE**
- ◇ **WESTSIDE AM**
- ◇ **WESTSIDE PM**

Enrichment Day Co-ops are a cooperative effort on the part of CHES families working together to supplement their children's education. Enrichment Day centers primarily (but not always) around learning in the arts, physical education, life skills, and other electives.
