

Project Fair!

...A FREE Event For All Ages!

Begin work on your project now! It can be on ANYTHING!!!! Animals, sports, science concepts, historical topics. **The only regulation is that each project should have a backboard that is folded to make 3 sides (see picture).** The project should be as in-depth as appropriate for your child's grade level and should contain some written material. Neatness is important as well as learning the material. Pictures mounted can be drawn or cut from other sources. Hands on visual aids may be used. Submit one per student or let siblings (or friends) go together on a project. It's all up to you and your students!

Date: Tuesday, March 27, 2018

**Place: St. Andrew Catholic Church School Cafeteria (Homelink location),
309 Hoffmeister, St. Louis, MO 63125 Time: 6:30 p.m.**

This will be a family night...bring grandma & grandpa and anyone else you would like. Also, **bring a snack to share**. Punch will be provided. Schedule will be like years past:

- ▶ 6:30 - Announcements
- ▶ 30 minutes – The children each stand with their projects while parents go about observing, asking question & complimenting.
- ▶ 30 minutes - The children may leave their projects to go and look at each other's projects.
- ▶ The rest of the evening will be spent eating snacks, drinking punch and enjoying each other's company.
- ▶ At about 8:00 we will award **Participation Certificates** for each child.

This is a great chance to show what your students have been studying recently, and to begin giving them the skills needed to complete a project display. It's always amazing to see the variety of subjects entered. Even if you don't enter, plan to come and see the exhibits and have fun!

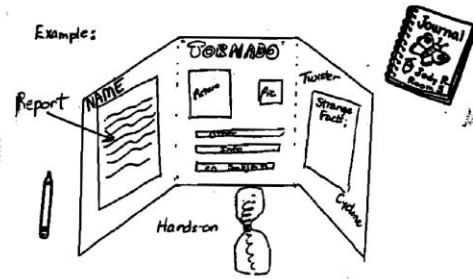

Note: You must be registered before the fair or we won't have a **certificate in your name. THERE IS NO CHARGE TO ENTER THIS EVENT!!!**

SIGN UP ON THE SHARE WEBSITE CALENDAR FOR MARCH 27

[See next page for example of project!!!!](#)
