

Back by popular demand!

Penguin Ski Club at Hidden Valley (2018-19)

It's an unbelievable price and makes a fantastic Christmas gift!

WHAT IS THE SKI CLUB?

Ski club passes allow one to ski or ride all day once a week for the entire season, which usually runs from mid-December to early March. You can arrive as early as 1:00 PM and ski until closing.

HOW MUCH IS THE SKI CLUB?

For \$129 each person receives a lift ticket and an individual pass that they will keep with them. This pass is flexible allowing you to vary your choice of day from week to week (**Mon-Thurs**). It must be presented at the ticket window with each visit to Hidden Valley, so a current lift ticket can be issued to the pass holder.

There is also a **Friday option**. If you would like to ski on Fridays only, you can buy a Friday pass for \$159. Friday is a high demand day, but still less busy than weekends. NOTE: The same person cannot buy both a Mon-Thurs pass and a Friday pass.

For an additional onetime fee of \$20 per pass, ski or snowboard rental will be included with each visit (once a week Mon-Thurs).

WHY SHOULD I JOIN? WHO ELSE CAN JOIN?

Joining the Penguins club is still less expensive than skiing two or three times without a pass. In addition, this is a fundraiser for the students of SHARE's Homelink Learning Center. Their building has no air conditioning in the classrooms and the old brick building can get very hot in early fall and late spring. You will not only be getting a great deal, but you will be helping fellow homeschoolers, who will be very grateful! ☺

Anybody can join, including your friends, neighbors and family who aren't homeschooling.

WHAT IS THE DEADLINE TO SIGN-UP AND PAY?

The deadline to join is December 31st at midnight. Hidden Valley makes *no exceptions* to the deadline.

THIS SOUNDS GREAT! HOW DO I JOIN?

→ To join the Penguin Ski Club, click: <https://www.skipeakresorts.com/shophv/ClubLogin>

→ **User name for the club is “Penguins” with a capital P.
Password is “homeski” with a lower case h.**

→ Next, click the blue “go shopping.”

→ At the top left there is a box of categories where you click 18/19 ski passes. Select the pass you would like. Most people want the Mon-Thurs option for \$129. An alternative is to select the Friday only option for \$159 and add it to the cart and check out. Only one deal per person. Don't forget to add ski rental. (There is sales tax.)

→ During check out you will assign a guest for the pass. If you were a member last year, type in the name of each person one at a time and see if it is still in the system. If not, you may need to create a new guest. New members do this by typing in the name, address and birthday, etc.

→ Once you find the guest, or create a new one, you select the guest and enter his or her birthday. Check out is like most other things on line. You enter your billing name and address and make payment via Visa, Master Card or Discover.

CAN I LET SOMEONE ELSE USE MY PASS?

NO!!! Season passes are for personal use only and CANNOT be transferred to another person. Misuse of season pass or violation of area policies and procedures will result in loss of privileges at all resorts and prosecution. All prices are subject to change without notice.

CAN I GET MY MONEY BACK?

Season passes, including club passes, are Non-Refundable unless the pass holder has purchased the **Pass Protection Plan.** The Season Pass Protection Plan allows you to recover the pro-rated cost of your pass, if a covered problem such as sickness, pregnancy, injury, or change of residency prevent you from enjoying the season in its entirety. It is also beneficial to those who tend to misplace things. To replace a lost season pass card, there is a \$50 admin fee. With the Pass Protection Plan, Hidden Valley will replace your season pass one time for free.

IMPORTANT TO REMEMBER! *There are no refunds or credits for season passes under any exception, unless Season Pass Protection Plan is purchased at the time you purchase your season pass.*
