FROM WONDER TO WISDOM

# WHO ARE WE?

We are a group of Christian homeschooling families who want to encourage one another as we lead our children from wonder to wisdom. Currently, we offer classes for Kindergarten-12th grade.

We are distinctly **Christian** with a **Classical** and **Charlotte Mason** Twist.

# DISTINCTLY CHRISTIAN

1 Corinthians 10:31 - "Therefore, whether you eat or drink, or whatever you do, do all things for the glory of God."

Romans 1:20 - "For since the creation of the world His invisible attributes, that is, His eternal power and divine nature, have been clearly perceived, being understood by what has been made, so that they are without excuse."

# CLASSICAL

We believe that students learn in three stages or phases of learning:

**Grammar stage:** Facts - Who, What, Where, When

**Logic stage:** Wrestling with the why of the facts

**Rhetoric stage:** Learning to clearly communicate not only the facts, but also the why's with peers.

# CHARLOTTE MASON

“Education is an Atmosphere, a Discipline, a Life.”

Charlotte Mason

Reading great books, spending time out in nature, and studying great artists by spending ample time with their masterpieces are just a few tangible ways to educate with this philosophy. The idea is not just to learn to learn, but to learn to grow.

# COMMUNITY

## **Classmates**

Learning how to be friends and to love others in a classroom

## **Classroom**

Learning how to engage with others with listening, respect, and benefiting from group interaction.

## **Camaraderie**

Friendships with like-minded parents that spur on and encourage: monthly hang outs, lunches, field trips

# ACADEMICS

## **Accountability**

**Grammar:** Peer Encouragement

**Logic:** Student Agreement

**Rhetoric:** Instructor Grades and Feedback

## **Instructors**

**Grammar & Logic:** Moms or dads with a Biblical Worldview, gifted at teaching and passionate about their subjects.

**Rhetoric:** Proficient Instructors

## **Agenda - Yearly Work**

All levels are provided weekly and daily schedules
