

## **Membership Application Process**

***The Mission*** of THRIVE is to partner with homeschool families to raise up the next generation of spiritually mature, excellently educated, and socially developed children for the purpose of fully expressing their unique God given gifts and talents. ***Our Vision*** is to provide an atmosphere where students fall in love with learning and everyone involved truly THRIVES - the students, the families, the vendors, our staff, and the ministries we partner with.

*\*Thrive is not a school but a community partnership and all vendors who provide educational services operate independently of the Thrive program*
