

Family Supply List

The family supply list has items that we need each family to bring. These items are necessary for us to function at the lowest tuition point possible.

You can opt-out of bringing **family supplies** for a fee of \$60.

Wish List

The wish list has items that we'd be thrilled to have donated so we don't incur the expense of purchasing with registration fees. None of these items are required.

We plan to maintain an Amazon wish list that can be added to throughout the year.

Grade Level Lists

The grade level lists contain items needed for each child.

The Amazon links are to give a general idea of the idea needed. You are free to purchase from any store you choose.

Individual supplies do not need to be labeled, however all backpacks, water bottles, lunch boxes, folders, notebooks and binders should be clearly labeled.

Please bag items on the family list and label Family Supplies- Last Name.

Please group items for each child, bag and label Child's Name- Grade.

Supplies may be brought to any of the August workdays, back to school night or the first day of class. Please be sure that your name is checked off the supply spreadsheet when you bring them.

Thank you for all you do to ensure a successful year!
