

Northeast Arkansas Christian Home Educators (CHE) Membership Information Fact Sheet

Who we are:

Christian Home Educators (CHE) is a support group for home-schooling families that offers connection with other home educators for various activities throughout the year.

How do I become a member?

An Application for Membership must be completed and submitted to the CHE Board of Directors for consideration. Upon receipt, your application will be processed and submitted to the Board for approval. After consideration by the Board, you will be contacted by a board member with information about membership.

Please note that it may take several weeks to receive a response regarding the status of new applications, as we try to batch new applications together in groups to make the best and most efficient use of our Board Members' time. Under normal circumstances, we try to process new applications at least once per month.

How much does it cost to join CHE?

Membership dues are \$65 annually, per family. This includes access to our website and a full-color yearbook.

Have questions?

If you have further questions about CHE or the application process, please review the information found on the "CHE Operational Policies", "Constitution", "How to Become a Member", and "Application Packet" pages of our website.

If you still have questions, you may contact the CHE Board President at JonesboroCHE@gmail.com or mail correspondence to CHE, P.O. Box 19312, Jonesboro, AR 72401.
