CO-OP JOBS & SERVICE REQUIREMENTS

Each co-op member family will be assigned the following:

*** Two Co-op Jobs** (semester- or year-long assignments)

> Members fulfill two co-op jobs in the areas of teaching, pre-elementary program, facilities, or administration.

> For more details about our co-op jobs, review the explanation of co-op service on the website.

> Most co-op teaching jobs are settled in the springtime when we plan classes and fill administrative openings for the following year. However, some facility or assistant jobs are not finalized until August.

*** Two Service Requirements** (short-term or one-time service assignments)

> Members fulfill two Service Requirements (SR) each year (or one each semester).

> An SR may vary from setting up for an event, to being a floating substitute teacher during 3rd hour, to lunch monitor, etc.

LINK PROGRAM

LINK is an option for **high school students** to attend HSC without requiring parents to serve in co-op jobs (however, 2 service requirements must still be fulfilled each year, as described above). The LINK membership fee is **$400/student *each semester***, in addition to the $55/student registration fee and class fees. (Note: Occasionally, the LINK and/or registration fees are adjusted for the Spring semester.)

Priority for LINK openings will be for students of families experiencing hardship: terminally ill family member, major injury or sickness, special needs baby, elderly parent recently moved in, recent loss of spouse to death or divorce, or other circumstances that make continuing to homeschool very difficult. LINK is a way for HSC to support families during these types of crises in the hopes of offering a small bridge back to stability. Others will be considered as space allows.

Because our LINK openings are limited (approximately 10 students) and LINK status requires reapplying each year, families are encouraged to apply for co-op membership if at all possible.

CO-OP COMMITMENT

Availability Expectations (for all co-op members)

Age of youngest child (as of Nov. 1)	MS/HS children attend classes	Member expected to be available initially for job assignments* (not necessarily on site all day both days)		
11+ years old	Mondays & Wednesdays	Mondays Wednesdays	all day all day	7:30 AM – 5:00 PM 8:15 AM – 4:45 PM
11+ years old	Mondays ONLY	Mondays	all day	7:30 AM – 5:00 PM
6-10 years old	—	Mondays	all day	7:30 AM – 5:00 PM
0-5 years old	—	Mondays	morning	7:30 AM – 12:15 PM

** Choose the row with the age of your youngest child. If your youngest is an MS/HS child, then also choose the row when classes would likely be taken. (Upper level science, math, and languages typically meet on both Mondays and Wednesdays, but the schedule is not finalized until June.)*

Age and class schedule determine what day(s) and time(s) you should be available for job placement. Jobs are assigned during the planning process before the semester begins, with most jobs being decided by June. Teaching jobs are between 8:40 AM - 4:15 PM. Some Facility team jobs start at 7:30 AM or end at 5:00 PM (often earlier).

After jobs are assigned, you do not need to be on site/take classes at other times unless you need to fulfill a service requirement (SR). You will sign up for one SR before each semester begins. Many MS/HS students will attend classes on Wednesday without a parent on site if the parent does not have a Wednesday job.

Note: All children under age 11 who are on site must have a parent or designated adult-in-charge on site.

For example - Some families with young children will fulfill their jobs/SRs on Monday mornings, go home with their young children at lunch time, and leave their MS/HS children on site for afternoon classes.

If a parent has a child under age 11 but still wants/agrees to teach a Monday afternoon class, then the family is welcome to stay on site all day on Monday. We offer a small selection of Monday afternoon elementary classes for children of Monday afternoon teachers.

91. The PRIMARY adult is available for initial job placement per the above chart: *

92. If not, please explain if you think you have extenuating circumstances that alter your availability.

BACKGROUND CHECKS

HSC desires that our community be safe for all students, parents, and teachers. Upon receipt of your application, family photo, and $10 application fee, we will email you a unique secure link to complete a background check authorization form. A form should be completed for each adult who will regularly be on site or is the primary contact.

Once you submit the authorization form, we will then begin the process of checking the following: family references, criminal history from the Michigan State Police ICHAT records and National Criminal Database, and the Sex Offender Registries. We will run annual background checks while you are a member of HSC. You do not have to agree to the background checks, however refusal to do so may exclude you from membership consideration. Information obtained about you will be confidential and is for HSC's official use.

All applications will be carefully reviewed and considered by the Connection Team.

Please ensure all your answers are complete before clicking Submit.
