B11 Biblical Foundation

Joaquin Parker

10-week video/workbook course that focuses on understanding the Jewish foundation of our faith. All lessons are intended to clarify the believer's relationship to the land, the people, and the Scriptures of Israel. The goal of this course is to: 1) Demystify the contents, in context, of the Bible; 2) Provide study, prayer, journaling, and discussion prompts for students in hopes and prayers that they make engagement with Scripture, Jesus, and God, both personal and communal, and 3) That this would spark an understanding that inspires a diligent seeking of our Savior and the promises of our Father, knowing that they are for them personally. Classes that fall outside of the co-op dates will be offered over Zoom or in-person on a Friday at the same time we would be meeting for this class at co-op. In-person will be at my house or other suitable location.

Credit qualifier: 1/2 of the following: History, Foreign Language, general elective, or theology

Special Notes: This class requires diligent note taking during the videos to fill in the workbook. For a credit, students will be required to read the whole chapter for the Scripture references given to develop credible study skills, as well as complete review questions for each chapter and read excerpts from related writings - all included in the workbook. Some extra curricular videos will be provided to watch at home - less than one per chapter. Hopefully we can also study other bases of our faith in subsequent classes, such as Greek, Orthodox, Catholic, and Protestant. Pray for providence of adequate materials!
