

Who We Are:

Spread The Word Education is a Christian Homeschool Co-op for grades 5-12 serving families throughout St. Croix, Polk, Barron, Burnett and Chisago Counties.

Mission

This Christian Homeschool Co-op exists to honor God by supporting homeschool families through offering traditional academic classes for students as well as fostering positive christian fellowship for both students and parents. It is our desire to be a valuable asset to new and seasoned home educators by:

- Promoting Christian values, character development, and a biblical worldview.
- Complement the homeschooling experience by offering academics in a group setting with qualified instructors with Christian values and character.
- Encourage our students to be a Godly and positive influence in the world around them by reflecting the love of Christ.

What We Believe:

Our leaders and instructors who are part of our organization uphold a Biblical/Christian worldview.

A Biblical worldview includes the belief that the Bible is inspired by God. It is deemed to be the complete and infalible/accurate Word of God that God has given it to us to teach us about who He is, our need for Jesus, and who we are in Him upon salvation (being saved by grace through repentance and faith in Jesus Christ). The Bible, along with the Holy Spirit, guides us and empowers us to live lives pleasing to God.

When We Meet

Our classes for grades 5-12 meet on Tuesdays between 8:30 am and 3:00 pm from September to May.
