

Kelly Caliguri Bio

Kelly Caiguri holds a Bachelor's of Science in mechanical engineering from Iowa State University. She has worked in various industries for the past 25 years, with the last 20 years at Medtronic in the implantable medical devices area.

Kelly currently owns her own small business of all natural, handmade skin care. This allows her to be at home with her daughters full-time. She has homeschooled her daughters for the past 7 years and this is her 3rd year teaching at STWE.

With a strong background in math and science, Kelly has discovered the love of teaching these topics to students. She is looking forward to the opportunity to teach your children.
