Description:

Welcome to Exploring History for 4-8 graders. In this class we will complete multiple unit studies on various parts of history. I plan on 2 months of American History (from early America up to WWI), WWI, WWII, another month of more recent American History, Ancient Egypt, & Ancient Rome. We will complete various projects to help students develop a deeper understanding of our history. There will be required reading for this class (books will be available through the local library system).
