

# Math Tutoring

## Class Description

**Appropriate Grade Levels:** 4-6

**Prerequisites:** None

**Minimum # of Students:** 2

**Maximum # of Students:** 5

**Instructor:** Mara Rist

**Class Tuition:** \$150

**Supply Fee:** None

**Text:** Provided by Parents

**Required Materials/Supplies:** Math course and teacher manual

**Description:**

This course time is available to students who need extra guidance in math. I will work with your family's chosen curriculum to guide students to a better understanding of the math techniques they are learning. Students will be required to have their own curriculum and I will provide personalized support for students and create a tailored plan if needed.
