

# Spanish 2:

*Grades 10-11*  
Course Syllabus  
2026-2027

## Course Objectives:

- Expand knowledge of Spanish vocabulary, especially focusing on communicating about daily life to others
- Learn about Mexico and Costa Rica
- Focus on listening, reading, and writing Spanish

## Course Components:

- We will use some of the Vamos Curriculum, units 1-2, in class
- Students will continue using [theulat.com](http://theulat.com) using units 3-6
- We will read 2 Spanish books - Tumba and Robó en la Noche
- Projects and presentations such as designing your own dream house, creating your own food truck and menu, and making alebrijes and talavera tiles

This course is a continuation of Spanish 1. Students must have completed the Ulat units 1 and 2 before starting this class. Part of each weekly assignment will be typing written answers to questions from units 1 and 2 as we expand from only speaking and reading, to writing the language. Parents will need to supervise at home work and be sure the student is completing the assignments well. Class time will be used for projects and presentations, reading Spanish books, and to check for understanding.

## Course Materials:

- 3 ring binder
- Tumba by Mira Canion and Robó en la noche by Kristy Placido
- [theulat.com](http://theulat.com) yearly subscription, units 3-6
