

TORCH

TEXARKANA ORGANIZATION FOR RESOLUTE CHRISTIAN HOMESCHOOLERS

By wisdom a house is built, and by understanding it is established; by knowledge the rooms are filled with all precious and pleasant riches.

- Proverbs 24:3-4

A note from your president:

Homeschooling for almost 20 years, I can tell you the blessing of having a support group. Not only did my kids need outside activities, field trips, and clubs, I needed support. I needed to hear how others coped with different problems, and how one curriculum helped a child like mine. Your children need other children who are homeschooling like they are. If the only friends your child has, are friends at public school, I can assure you, they will feel like they are missing out on something. I hope that YOU will make TORCH your homeschool support group. We have a great bunch of individuals who are very friendly and will love welcoming you to join us this year.

During this meeting we will have our annual Used Curriculum Sale, meet our new board members, and learn about the clubs and activities that are coming up this year.

Next month, we plan to have Serenity Hospice to come and tell of some volunteering opportunities. Samantha Riley will also show some curriculum that she has found that has been working for her family: My Father's World.

May each family have a blessed year!
You President,
Kim Bragg
