

TORCH

Texarkana Organization for Resolute Christian Homeschoolers

Isaiah 54:13

All your children shall be taught by the Lord, and great shall be the peace of your children.

Note from the President:

Katie Stone from Serenity Hospice will be sharing opportunities for volunteering and Samantha Riley will show us the curriculum she uses, "My Father's World."

As most of you know, we don't have a Vice President. A VP is usually in charge of the parties. This does not mean they have to do all the work, but just be in charge. This could even be a couple of moms that get together one of our parties. I hope that some of you that don't have positions in the group will sign up to do at least one party. We have a wonderful website that makes it easy to send messages, and places for people to sign up on the calendar to bring food or whatever you will need.

Here are the parties that we usually have: Teen Christmas Party, Children's Christmas Party, Teen Formal, Children's Valentine Party, and Field Day. At our October meeting we will have Mark Silvey. A

couple of our members heard him in Hope and found him to have some really great family encouragement especially for homeschool fathers. God Bless,
Kim Bragg

Upcoming Events: *For complete detail, see online calendar. There is a place to sign up for most of the activities and field trips as soon as possible. It gives a more accurate count of who will be there.*

Thursday, September 3rd
