

**Terra Nova 3
Standardized Testing, 2018
Testing Directions**

Please read carefully, noting the changes that have been made this year. Either testing package fulfill the state requirement for evaluation.

*If your child's annual evaluation date is before May 31, make note of it on your registration form. A letter will be sent to the school district informing them of your compliance.

Package A - Basic Battery of Tests, offered for grades 2-12

- Includes Reading and Language, Math, Science, Social Studies
- Completed in two mornings of testing

Dates, Times, and Locations:

LATE REGISTRATIONS INCUR A \$5/CHILD LATE FEE.
Questions? Email: jeanniehstesting@gmail.com**

IMPORTANT INFORMATION

Students in grades 2 and 3 will begin their testing experience with a pretest which familiarizes the student with how to mark answers and follow the teacher's instructions. It *gives no indication of actual test content*. Parents may remain with their student during pretesting (9:00 – 9:30 am approximately), so please arrange babysitting for other siblings. If the student is not able to complete testing, \$25 of the fee is non-refundable.

Home Education Evaluation Form: this form should be printed for each child from the School District's website (www.palmbeachcountyschools.org). If you cannot print the form, ask the teacher in your child's testing room for a blank one. *If test results indicate "no progress," I will call you immediately and will not file the form unless directed.* If you are using testing for your own information, please check the "do not file" box on the registration form.

*****Test Scores are Never Submitted.** To satisfy the Florida state law, Palm Beach, Broward and Martin Counties provide a Home Education Evaluation Form, which I submit. This form completes your annual evaluation requirement. Test scores and a letter of progress will be sent to you for your files approximately three weeks after testing.

High school juniors or seniors who are dual-enrolled in college courses or are using formal classes and have taken either the ACT or SAT, may opt out of testing with provision of those test scores and passing grades in English, Math, Science, and Social Studies. Cost: \$20. Please indicate this on the registration form.

- ELECTRONICS: PHONES MUST BE TURNED OFF and PLACED ON THE TABLE.
- NO CALCULATORS
- NO IPODS/IPADS OR ANY OTHER TYPE OF INFORMATION TRANSMITTING DEVICES.
- *Any child posing a disturbance or discipline problem at any time during testing will be removed from the room. Parents will be notified and asked to pick up their child immediately. There will be no refund.*
