

Curriculum for ETC-NWA Bentonville Campus Fall Classes 2023

Dear ETC Parents:

My name is Debby Herring and I am the director of curriculum and instruction at ETC. I also own Blessings Used Books and Homeschool Curriculum, a used homeschool book and curriculum business. I would love to assist you in curriculum needs for this semester. I have worked hard to locate good used curriculum, but many of these titles are new within the last couple of years so copies are hard to find. **Used copies will be sold on a first-come, first-served basis.**

If you want new copies or I do not have the titles in stock, you may order from the following resources:

- Light of Faith Resources – www.lightoffaith.com Jimmy Morris, who is the owner of Light of Faith Resources is a homeschool dad and matches or beats Christianbook.com's prices. He gives us bulk discount because there are so many of us ordering. ** This is who I highly recommend. Here is the link to the order to order from him. **He doesn't have all the required books listed because some of the books are only available through us.** Here is the link to the Google Form you may order from: <https://forms.gle/hYK9cCQsRRkn4f8g6>
- Christian Book – www.christianbook.com
- Rainbow Resource – www.rainbowresource.com
- Bibliomania Homeschooling Materials in Tulsa – resale/consignment homeschool books – 918-438-9889. Tell them I referred you.
- Any other resource you have for these titles -

Underneath each class, I have listed the curriculum required, and what is available and the prices for each. If the class is not listed in the attached list, then I am not aware of any curriculum needed for that class. Most of the textbooks that are used for multi-grade levels can be shared by the same family. These have been designated by MGL (multi-grade level). Please check with the teacher to make sure that each student doesn't need an individual copy. Students will need their own Notebooking journal, timeline book, etc. Some textbooks are marked optional. They are not required for the class, but parents may wish to purchase them to support or enrich their student's learning.

Tests –We only have two days a week in the classroom, so we mostly leave the testing to the parents. Most of the math teachers have required the tests and worksheets for Saxon. Test packets will be marked required if the teacher has required them.

Literature packets are only available to purchase from me. If you wish to order any curriculum from me, please email me at debby@the-herring.net with what you wish to order and your email address. When I receive your order, I will send you an invoice. I will have orders ready to pick up at fall orientation or you can arrange to pick them up at my house. I will also bring any extra books I have available that are not already purchased.

- *** means it will have to be ordered from another source**
- **** means only available through ETC – you will need to purchase from me**
- **IN STOCK – means I have multiple copies available**
- **LA – I have some in stock, but have a limited availability, first come first served, range of prices due to varying conditions**
- **MGL – means it is used in multi-grades and families can share.**

Details about Ordering and Purchasing new Curriculum through me:

- Used items are first come, first served. Invoice must be paid within a week of receipt in order to hold your used copies of your books unless other arrangements have been made.
- You can pay through Paypal Friends and Family (no fee), Venmo, Zelle, check, cash, or credit card (no American Express)
- I have incorporated my business, so sales tax will be charged.
- Orders will be delivered the day of student orientation, or you may pick up at my house by appointment.

Curriculum Needed for Tuesdays/Thursdays CORE classes – Fall 2023/Spring 2024

Unless otherwise noted, all books and materials listed are required for the class.

Books in yellow are not needed until Spring Semester – You may order now or wait until 2nd semester.

Kindergarten (K)

Learning Mathematical Concepts
