

Curriculum for ETC-NWA Fall Classes 2022

Dear ETC Parents:

My name is Debby Herring and I am one of the co-directors of curriculum and instruction at ETC. I also own Blessings Used Books and Homeschool Curriculum, a used homeschool book and curriculum business. I would love to assist you in curriculum needs for this semester. I have worked hard to locate good used curriculum, but many of these titles are new within the last couple of years so copies are hard to find. **Used copies will be sold on a first-come, first-served basis.** Most new copies will be purchased from Jimmy Morris at Light of Faith Resources. He is a homeschool dad and matches or beats Christianbook.com's prices.

Underneath each class, I have listed the curriculum required and what is available and the prices for each. If the class is not listed in the attached list, then I am not aware of any curriculum needed for that class. Most of the textbooks that are used for multi-grade levels can be shared by the same family. These have been designated by MGL (multi-grade level). Please check with the teacher to make sure that each student doesn't need an individual copy. Students will need their own Notebooking journal, timeline book, etc. Some textbooks are marked optional. They are not required for the class, but parents may wish to purchase them to support or enrich their student's learning. We only have two days a week in the classroom, so we leave the testing to the parents. If you wish to order tests, that is up to you but is totally optional and not required.

I will be placing group orders with Light of Faith Resources (LOF) and other retailers. If you would like me to purchase your books for you with this order, there will be a \$10 handling fee. At the end of this email are several places you may wish to check out to order your curriculum. If you wish to purchase books on your own that is fine as long as your student has what they need when consortium begins this fall. **Literature packets are only available to purchase from me.** If you wish to order any curriculum from me, please email me at debby@the-herring.net with what you wish to order and your email address. Payment will need to be made before I can order the curriculum. You can pay me through Paypal or Venmo. See the list below for dates and locations where you can bring cash, check, or credit card and place your orders. If you have any questions, you can contact me at the email above or at 918-527-1992.

I will have orders ready to pick up at fall orientation or you can arrange to pick them up at my house. I will also bring any extra books I have available that are not already purchased.

- *** means it will have to be ordered (I will be happy to order it for you)**
- **** means only available through ETC – you will need to purchase from me**
- **IN STOCK – means I have multiple copies available**
- **LA – I have some in stock, but have a limited availability, first come first served, range of prices due to varying conditions**
- **MGL – means it is used in multi-grades and families can share.**

Details about Ordering and Purchasing new Curriculum through me:

- **You can pay through Paypal Friends and Family (no fee), check, cash, or credit card.**
- **Since I have incorporated by business, sales tax will be charged as well as any shipping cost that is applicable.**
- **Ordering dates:**
 - **Wednesday, May 18th at End of the Year Party – Phillips Park 12 – 3**
 - **Other dates: TBD**
 - **Pay through Paypal – send me an email with your order and Paypal email. I will send invoice.**
 - **By appointment – please contact me to make an appointment**

Curriculum Needed for Tuesdays/Thursdays CORE classes – Fall 2022/Spring 2023

Unless otherwise noted, all books and materials listed are required for the class.

Books in yellow are not needed until Spring Semester – You may order now or wait until 2nd semester.

Kindergarten (K)

Learning Mathematical Concepts

Saxon K Math (none required)
