

# CrossPointe Co-op

## 2026-2027 Classes Offered

CrossPointe Co-op is a Christ-centered homeschool co-op providing an academic focus for kindergarten through 12th grade, as well as a nursery and preschool section for our participating families. Our co-op is defined as an academic co-op for the whole family, offering writing, science, and history for grades 3<sup>rd</sup> - high school, and unit studies for kindergarten through 2<sup>nd</sup> grade.

By offering Science, History, and optional writing, we are able to help guide the parents through these studies. Since the allotted amount of time in class will never be enough to teach all the information, **you as a mom are still the primary teacher and the expectations for your children to learn and understand a particular subject is your responsibility at home.**

The specific areas of study for the 2026-2027 school year are as follows:

### Unit Studies:

- K-2<sup>nd</sup> grade (focus on Ancient history and Astronomy/Botany)

### Writing: (Institute for Excellence in Writing) OPTIONAL CLASSES 8:00AM-9:25AM

- IEW Structure and Style A Year 1 (2 year cycle)
- IEW Structure and Style B Year 1 (2 year cycle)

*You must enter the 2-year cycle during year 1.*

### History:

- 3-7<sup>th</sup> grade – Masterbooks The World's Story Ancients
- 8<sup>th</sup> grade - BJU Cultural Geography
- 9<sup>th</sup> - 12<sup>th</sup> grade – BJU World History

### Science:

- 3-5<sup>th</sup> grade – Apologia Astronomy and Botany
- 6<sup>th</sup> grade – Apologia Anatomy & Physiology
- 7<sup>th</sup> grade – Apologia Exploring Creation with General Science, Science Fair
- 8<sup>th</sup> grade – Apologia Exploring Creation with Physical Science
- 9<sup>th</sup> - 12<sup>th</sup> grade – Chemistry (Discovering Design with Jay Wile)

### Other High School Class:

- High School Apologetics - Understanding the Times (8:00 - 9:25 am)
