

Cycles for History & Science

3rd-5th Grade:

Science

The following classes will be offered in the order shown and then the cycle repeats.

- Zoology 1 - Flying Creatures
- Zoology 2 - Apologia Swimming Creatures
- Zoology 3 - Apologia Land Animals
- Apologia Astronomy/Botany (2022-23)

History

We follow the following 4 year history cycle which will repeat every 4 years.

- Ancients (2022-23)
- Medieval/Middle Ages
- Introduction to American History
- American History: around 1850 to present day

6th-8th Grade:

Science

We will offer the following classes for 6, 7 & 8th grades.

- 6th grade - Apologia Anatomy & Physiology
- 7th grade - Apologia Exploring Creation with General Science
- 8th grade - Apologia Exploring Creation with Physical Science

History

We follow the following 4 year history cycle (the same as 3rd-5th) which will repeat every 4 years.

- Ancients (2022-23)
- Medieval/Middle Ages
- Introduction to American History
- American History: around 1850 to present day

High School (9th - 12th Grades):

Science

We will continue cycling through these sciences every three years.

- Biology
- Anatomy & Physiology (2022-23)
- Chemistry

We realize we only offer three sciences so one year your student will not be taking a science class at CrossPointe.

History

We will use the following cycle which will repeat every 4 years.

- World History
- American History
- Government/Economics
- World Cultures & Civilizations (2022-23)

Apologetics

At some point over the four year high school cycle we will have the following Apologetics classes. The other two years other electives will be offered.

- Apologetics - Starting Points (2021-22)
- Apologetics - Understanding the Times (2022-23)

English

Some years we may offer a high school english course.
