

CrossPointe Co-op

2023-2024 Classes Offered

CrossPointe Co-op is a Christ-centered homeschool co-op providing an academic focus for Kindergarten through 12th grade, as well as a nursery and preschool section for our participating families. Our co-op is defined as an academic co-op for the whole family, offering writing, science, and history for grades 3rd - high school, and unit studies for kindergarten through 2nd grade.

By offering Science, History, and optional writing, we are able to help guide the parents through these studies. Since the allotted amount of time in class will never be enough to teach all the information, **you as a mom are still the primary teacher and the expectations for your children to learn and understand a particular subject is your responsibility at home.**

The specific areas of study for the 2023-2024 school year are as follows:

Unit Studies:

- K-2nd grade (focus on Middle Ages & Flying Creatures)

Writing: (Institute for Excellence in Writing) OPTIONAL CLASSES 8:00AM-9:30AM

- IEW Structure and Style A Year 2 (2 year cycle)
- IEW Structure and Style B Year 2 (2 year cycle)

*You must enter the 2 year cycle during year 1.

History:

- 3-8th grade – Middle Ages (Story of the World)
- High School History – World History (BJU)

Science:

- 3-5th grade – Apologia Flying Creatures
- 6th grade – Apologia Anatomy & Physiology
- 7th grade – Apologia Exploring Creation with General Science
- 8th grade – Apologia Exploring Creation with Physical Science
- 9th - 12th grade – Chemistry (Jay Wile) OR Marine Biology (Apologia)

Other High School Class:

- High School Modern World-History Based Writing (IEW)
- High School Personal Finance (Dave Ramsey - fall semester)
- High School Entrepreneurship (Boss Club - spring semester)
