

WRHS Commitment Form 2021-2022

WRHS is a volunteer-led group which counts on our members to take the initiative to organize or help with the activities and functions that make our organization great.

Our goal is to provide a nice balance of activities that will appeal to different age groups from preschool to high school, moms/parents, and entire families together. We hope to supplement our kids' learning in the areas of academics, arts, physical fitness, life skills, socialization, service, nature, and more--wherever our interests and opportunities lead us.

In order to provide our children with many opportunities, **WRHS requires each family to sign up for at least one commitment each school year.** The following positions fulfill the commitment obligation: President, Membership Coordinator, Secretary, Treasurer and Communications Director. Any appointed coordinator also fulfills this commitment: Performing Arts Director, Field Trip/Event Coordinator, and Sports Coordinator. Everyone else needs to sign up for one of the below commitments.

First-year members do not have to make a commitment. Check here if this applies to you: _____

Name: _____ **Date:** _____

Please mark your top three choices (1, 2, 3). We will do our best to distribute the commitments according to interest.
