

## **Joining a local support group provides some great benefits:**

- Get to know other families like your own - with the same values, principles, etc.
- To have our children socialize with other children,
- Get great group discounts for activities/field trips, etc.
- Get great encouragement, support and assistance from other moms who are going through what we are going through, etc.
- We are in touch with what is occurring in our nation and know what laws and issues are occurring which are relevant to homeschooling, families and general important information.
- Get great information relative to homeschooling, tips, ideas, helps, support and other pertinent information.
- \*Password protected members only access to our website that includes the following:
  - Free personal web site for each family
  - On-line event registration complete with a confirmation and reminder
  - FREE classified section where you can buy and sell items (homeschool or not)
