

TAG utilizes our website, email, text, and a check-in table to communicate.

Website

Our website is www.homeschool-life.com/mn/tag/. Our site contains much of our communication, including calendars, volunteer schedules, rosters, syllabi, information about upcoming field trips, and helpful website links. Additionally, field trip sign-ups will be processed through this site.

Please become familiar with this site – it’s a great tool!

TAG does not give sign-on access to non-TAG approved members. Please keep your login information safe and private. If you believe your information has been accessed, please update your username and password or contact taghomeschoolgroup@gmail.com for more help.

Email

Lower Track (Nursery - 7th Grade set classes): tagHOMEschool101@gmail.com

Upper Track (6th-12th Grade à la carte classes): tagHIGHSchool101@gmail.com

Please use these emails to communicate with the coordinators. Usually, on the Wednesday prior to a meeting, you will receive an email highlighting important information, including supplies needed, the volunteer list, upcoming field trips, and other relevant details.

Text

On occasion, TAG will use group text messaging to send urgent notifications to the group, such as class delays or cancellations due to weather or other emergencies. Only those who have chosen to “opt-in” to receive texts (on the family profile page of your account) will be part of this form of messaging.

Check-in Table

All students on campus for TAG-related classes and events are asked to sign in at the check-in table near the front entrance of the building. Please find your students’ names and sign in each time you attend TAG.
