

Dear Truth Academy families,

Although our heart's desire is to be back with you all face to face in the fall, we must look ahead with the understanding that it may not be the perfect scenario we would hope for. Please read through our plan for the fall, listed below.

We thank you in advance for your prayers over Truth, know that we will continue to pray for your families!

Kristin, Nicky, and Meagin Truth Academy Staff

If all restrictions for schools are lifted:

- Classes start, as planned, on September 11th.
- Classes would begin at Calvary. We will take extra precautions to ensure safety, we will follow all state guidelines given.

If we are still in shelter-at-home on 9/11:

- We will begin our classes online on 9/11, until we can resume meeting in person. The instructors will be working together to ensure quality is given for these classes.
- Most of our classes will be able to run in this format. The classes will be listed as such on the registration page. (Refunds will not be given for these classes)
- A few classes may not have an online format. These classes will offer refunds at the end of each semester. Refunds will be for the weeks that class was not able to meet. Classes will be listed as such on the registration page.

If we begin in person, but then schools/churches are once again shut down:

- We will move back to online classes until the restrictions are lifted.
- Most of our classes will be able to run in this format. The classes will be

listed as such on the registration page. (Refunds will not be given for these classes)

- A few classes may not have an online format. These classes will offer refunds at the end of each semester. Refunds will be for the weeks that class was not able to meet. Classes will be listed as such on the registration page.

Other things we are considering:

- For online days only, we may modify/lengthen the days' schedule to allow families to be able to maximize the classes they can attend.
- Classes may be recorded for future reference to maximize the number of classes students can attend.
- There will be no fees for classes dropped until after the first 2 weeks of class. After that, there will be a \$5 drop fee per class.
- Refunds may be issued, or paid as needed, for classes with supply fees.
