## 2023-24 STUDENT HANDBOOK

### ATTENDANCE POLICIES

#### Arrival and Pick Up

A member of staff will be on the premises from 9:00am-4:00pm each day. Classes are from 9:30-3:30. Parents are encouraged to value the learning time of all students by arriving for class 5-10 minutes early, but no earlier than 9:15am. Classes begin promptly at the designated time on the schedule for classes. Parents are required to walk their child to the entrance upon arrival and departure. Children are only allowed to be released to parents, guardians or a pre-designated person who is authorized to pick up the child. If the person picking up the child is not on the registered list or pre-arranged, a staff member will contact the child's parent to confirm permission to pick up the child.

Please pick up your child on time. Dismissal generally starts by 3:20. If you will be late, please call us. There is a \$1 late pick-up fee for every minute late starting at 3:40pm. For example, pick up at 3:45, then the fee is \$5.00. You will be asked to note the time of pick-up on the sign-out form and billed accordingly.

#### Illnesses

Please keep sick children at home to minimize the spread of illnesses. Keep your child home if he or she:

- A. Has a fever of 100 or more within the previous 24 hours,
- B. Has experienced vomiting or diarrhea the previous night or the morning of classes,
- C. Has a rash due to a disease or the cause is unknown (Seek physician's advice.),
- D. Has head lice or nits,
- E. Has a new cough, runny nose, or frequent sneezing (not related to allergies),
- F. Has any COVID-19 symptoms or has been diagnosed with COVID-19 or any other highly contagious illness.
- G. Has a sibling or family member with any item from A-F. If one child is sick, the other tends to follow shortly afterwards. Please assume the child is contagious even before symptoms appear.

If your child has seasonal allergies, please email us their typical symptoms so that we do not mistake them for an illness. Additionally, if you're willing, please consider giving your child allergy medication in the morning before attending, which will help to lessen the spread of germs in general, especially if their typical symptoms include coughing or sneezing. **We will call parents if a student appears to be sick.**

#### Be prepared for class

1. Lunch and snacks: Pack a lunch and 2 snacks. There is snack time once in the morning and once in the afternoon. Please plan accordingly depending on your child's appetite knowing that they may be more hungry on a school day because we keep them very active. Please practice opening food items at

home before sending them in. Due to allergies and cleanliness, sharing food with anyone is not permitted. We cannot store food or warm-up food for your child.

2. Reusable Water Bottle: Please be sure to send a **no-spill water bottle** of at least **16oz** for your child and write your child's name on it. Please avoid sending in disposable water bottles. A small juice or flavored drink is allowed only during lunch, however, please do not send soda or caffeinated beverages.
3. Shoes appropriate for playing outside: Students need to wear or bring athletic shoes and wear appropriate attire for outside time.

### Refunds, Exchanges, Absences and Vacations

Due to planning and supplies, there are no refunds on classes or make-up days for missed classes including students who have been dismissed from the program. We understand that families may travel or have special events when they will be unable to attend classes certain days/weeks, but your child's tuition saves their seat in the class. Monthly tuition and registration fees are non-refundable. We do not require doctor's notes or written excuses for absences, however the teachers like to know who will be absent to help with the seating chart and planning of supplies.

### School Calendar / Holidays

Classes begin on August 14, 2023 and end May 23, 2023. Tuition is not discounted in months with holidays or breaks, as they are averaged into the monthly fees. However, the month of August will be prorated. A copy of the calendar is available on our website.

### Early Withdrawal Policy

There are multiple situations in which families need to withdraw their child early from My Village. Should you decide to withdraw your child(ren), there is a fee equal to 50% of the following month's tuition. This gives us time for another student to take the spot of your child in the class. We also charge 50% of tuition if you need to take a break mid-year for a month or more to hold the child's spot in the class. Please give us at least 7 days notice in order to be able to cancel your automatic payments.

### School Closings

Should we need to close due to unforeseen circumstances, like a hurricane or a teacher shortage because of illnesses, we will consider adding days to the calendar only if we are closed a full week or longer. The last week of May will be used for this purpose.

## **GENERAL POLICIES**

### Field Trips

Parents are required to accompany and supervise their children during field trips. Siblings may or may not be able to attend depending on where we are going and their requirements.

### Student Directory

When you enroll your child(ren) your information will be added to our directory unless you choose to opt out. This enables our parents to reach out to each other when they'd like to get their children together outside of My Village activities. Parents are expected to respect each other and their privacy of their contact information.

### Birthdays

Parents are allowed to send in a small gift for their child to share with the class; no food please. If you invite students to a birthday party, please invite the whole class OR all of the girls or all of the boys. You may send in invitations and we will distribute or use the email list from your child's class directory on our website.

### Photo and Video Release

At My Village, there will be many exciting learning moments that we will all want to capture through photographs and video. We may use these photos and videos on our website or on social media or for other means of publicity. When used, My Village will not use your child's name. You may opt out when you register.

### Dress Code

At My Village, we do not have a formal dress code. We simply ask that students who attend, consider the environment and choose clothing that is respectful to themselves, the other students and staff as well as the church staff members. This can mean different things to different people, but we trust that the parents know what is best for their child. If there is an issue, we will not address it with the child directly, but meet with the parent instead.

### Toys

Please do not allow your child to bring in toys including Pokemon Cards. Toys can be a distraction and cause conflict among the children. We keep them very busy, so they will likely not have time to play with anything that they bring in. If your child needs a fidget or lovey because of an emotional need, please make this request known to us before sending it in. We have Show-N-Tell days periodically and some families meet up after classes are over, at the Pavilion for their kids to have time to trade cards.

### Solicitation

On our new website, we are including a Business Directory. If you have a small business and want the information posted on the Business Directory, we will be happy to do so. Other than the Directory, we ask there is no other solicitation within the group, i.e. posting your business on our My Village Parents Facebook page or sending in fundraisers for sports or other groups.

## **BEHAVIOR POLICIES**

### **Behavior Expectations**

We have one rule that encompasses the expectations for behavior and that is to **BE RESPECTFUL**. Staff, parents and students will be respectful of themselves, other students and adults. This means that, as a community, we work together to assume the best in others and communicate, respectfully, about issues that arise. We wait for our turn to speak. We listen to others. We treat the supplies, materials and environment well, so that they are not wasted and/or damaged. Keep in mind that the church has graciously allowed us to use their building and property and we must show respect to their space. Parents are responsible for any damages to the building or property that is caused by their child. Prior to the first registered day of class, parents are required to notify Lisa or Tresa of any ongoing history of negative behaviors in a group setting. Please also notify us, if you see fit, if there are challenges your family is currently facing so that we may be sensitive to your child's needs. We are mothers. We understand. Parenting is challenging, and we firmly believe that we are, as a homeschooling community, a village of parents here to support each other.

### **Behavior Management**

If a student is having behavior problems that disrupt the class, inappropriate language for young children and/or aggressive behaviors, one of our Directors will contact their parent(s). A Director (or both) will meet with the parent to help identify the cause and work together to find a solution. We understand that sometimes students need to learn the expectations and adjust to a new environment and a lot of children have not been in a classroom or group setting before and will attempt to help the child to adjust quickly. If a solution cannot be found, we will dismiss the student from our program, however, we will do so in a manner that is respectful by giving you proper notice of the change and possibly waiving the early withdrawal fee.

### **Zero Tolerance Policy**

My Village Learning Center will implement a strict enforcement of regulations and bans against undesirable behaviors or possession of dangerous items. A zero-tolerance policy will be in place for the following actions or behaviors: Brandishing or using a weapon, physical assault, damaging, destroying, or sabotaging property, intimidating others, harassing, stalking, bullying, or verbal abuse including offensive, profane, and vulgar language, threats, whether made in person or through letters, texts, phone or email, kissing another student, possession of alcohol or illegal drugs, possession of legal or prescribed medications or substances, terrorist threats, bomb threats, or threats of any kind, fighting, including minor scuffles, insubordination, which could include talking back to a teacher or swearing, and inappropriate or offensive attire, language, or discussion. The penalty for any of the above actions or behaviors will result in student dismissal from My Village Learning Center.

### **Cell Phone Use and Use of Technology**

Cell phone use and personal technology devices are discouraged at My Village. A student may leave their phone or smart watch, with the ringer off, in their bag. If contact needs to be made with a parent, a teacher or staff member will call. YouTube videos, video games or any social media are not allowed at My Village. There are children of varying ages and families with differing opinions about the contents of these programs and apps. If it becomes an issue that is unable to be resolved, we reserve the right to dismiss your child from further participation at My Village. No smartwatches allowed.

## **SPECIAL NEEDS POLICIES**

### **Student Policies**

We would love to be able to provide classes for all children, whether they have a special need or not, however, there are times when our classes are not the best environment for children with special needs. We will often plan a trial day to assess the child's skill set to help us determine whether or not we anticipate the child will be able to adjust to the classroom setting. If we decide to give it a try, knowing that some skills will need to be taught, we will do our best to teach children the expectations and allow them time to adjust to those expectations. However, parents may be asked to withdraw their child if one or more of the following continues to occur.

1. The child requires so much of the teachers' time that the teachers cannot give adequate attention to the needs of other students in the classroom.
2. The child disrupts the classroom to the point that the education of the student or other students is hindered.
3. The child isn't able to complete projects with the level of independence required for the class they are enrolled in. We understand that there may be some one-on-one guidance required, however item #1 also applies to help with projects.

If a child with special needs attends My Village and is unable to adjust to the classroom environment within a reasonable amount of time, depending on their age (likely 4-6 weeks), we will waive the early withdrawal fee.

### **Medical Special Needs**

Prior to the first registered day of class, please notify My Village, in writing, of any special medical needs (conditions/allergies/tendencies) or learning difficulties that your child may have. The staff will do their best to accommodate the needs of each child but in some cases, your child may need you, the parent, to be with them to work their way through the activities. If your child takes medication or has a medical condition, please speak directly with Lisa or Tresa. We will administer medication only with a prescription and a note from a doctor.

## PARENT COMMUNICATIONS

We use several methods to communicate with parents. All parent communications go through Lisa or Tresa, not the teachers.

### Remind App

One parent (main contact) will be added to the Remind App. If both parents/guardians want to be included in the Remind App, please email Tresa. This app allows us to send out short group text messages. If you reply to the text, Lisa and Tresa will both receive the message and no one else will be able to see it. For field trips, we set up a separate "class" within the App to be able to effectively communicate while we are on a field trip.

### Text Messages

Please use text messages to alert us if you will be late for pick up or your child will be tardy or absent on a day they normally attend. You may also text or call us during the school day if there's something that needs our immediate attention, otherwise, please email us.

### Email

We send out emails regularly and it is our main form of parent communication. If you have a concern about your child or have any general questions, please use email instead of texting unless it is something urgent. Emails are generally sent addressed to Lisa from Tresa, however, the information is coming from both of us. If you "reply to all" then Lisa and Tresa will receive the email back. If you just reply it will go to Tresa. Parents are included with BCC (Blind copy) so that your email addresses are not shared. Again, if both parents/guardians want to be included in the email blast, please email Tresa and she will add them. Tresa's email is [tshirrell@myvillagepsl.com](mailto:tshirrell@myvillagepsl.com) and Lisa's is [lgreen@myvillagepsl.com](mailto:lgreen@myvillagepsl.com).

### Communications with teachers

If you have a concern about your child or a question about our events, please contact Lisa or Tresa. Teachers have been instructed not to have discussions about students with their parents at drop-off and dismissal, but to instead speak with the administration if anything needs to be communicated to the parent. There are several reasons for this including limiting the teacher's responsibilities and keeping them focused on supervising children during drop-off and pick-up. If you need to speak to a Director in person, please email us to set up a time.

### 'My Village Parents' Facebook Page

The Parents Facebook Page is a Closed Group so that only those that are approved can be a part of the group. Search 'My Village Parents' to request entry into the group. Your Facebook friends will not be able to see your posts; it is a private page. If you are on social media, some of our teachers are on the My Village Parents Facebook Page. Teachers are on the page so that they can easily share photos from their classes. Please respect their time and privacy by not sending them private messages. You may, however, post a general question on the page and one of us will answer it.
