

2023 Homeschool Standardized Testing Registration

Deadline to register is March 20th

This is the registration information and form for standardized testing with Eagle's Nest Christian Home Educator's Association. We look forward to working with you and your family to provide a positive, low-stress test experience for our students.

Please read the following information before registering for the test. If you have additional questions, please contact our test coordinator (Amy Cox – amy.t.cox@gmail.com) for more information.

Registration closes on March 20th to allow time to order and receive the tests.

When is testing? Testing will be on Monday, May 15th and Tuesday, May 16th. High school students will test ONLY on Monday, and grades 2-8 will test both days. Approximate times are 8:30-4:00 on Monday and 12:00-4:00 on Tuesday. We will send out a finalized schedule closer to the test date. This is the Monday and Tuesday immediately after the last day of Eluminatus

Where is testing? Testing will be at Crossroads Church in Newnan (2564 GA Hwy 154 Newnan, GA 30265).

Who can test with this group? Testing is open to homeschooled students in grades 2-8. Membership in Eagle's Nest is not required to participate. Students enrolled in a public or private school are not eligible for this test.

Does my child have to take a standardized test? All homeschooled students in Georgia are required to take a standardized test at least every three years starting in grade 3. Some parents choose to have their children take a standardized test every year as a tool to help assess their progress.

What test are we using? We will be using the Iowa Test again this year (the ITBS). The Iowa Test is an academic achievement test to track your student's progress, not a cognitive or IQ test, and it meets state homeschool testing requirements.

What is covered by the test fee? The test fee pays for the cost of the Iowa Test, the rental fee for use of the church facility, snacks, and supplies. The fee is \$50 per student. If parents are unable to help during testing, an additional non-volunteer fee is added.

Why are parents required to help? We are ALL volunteers. EN testing is planned, administered, and supervised by parent volunteers. If you register for testing, you will be required to help with testing or pay an additional non-volunteer fee.

We will need certified test administrators! If you have at least a bachelor's degree and would be willing to administer the test to a group of students, please let us know. There is no cost to register, and we will be happy to help you with the process.

Where do I turn in my registration? You can fill out this form through the link on the enchea.com page or print this pdf and mail your registration form and check to Amy Cox (169 Middlebury Ln. Newnan, GA 30265) or drop it in the Standardized Test folder at Eluminatus or Voyagers.

Make checks payable to ENCHEA.
