

A2 Adventure Club Volunteer Opportunities

Board: The A2 Adventure Club Board is composed of 6-7 volunteers that make financial, legal, and other necessary decisions for the group.

Community Committee: This is a committee for anyone interested in sitting, thinking, and discussing big ideas around how to support and strengthen our community. We will make recommendations to the Board, Cohort Leaders, and other committees when needed.

Cohort Leaders: Cohort Leaders help make sure that cohorts are running smoothly and that families feel comfortable and connected. This includes giving feedback and sharing ideas with committees and making decisions for the cohort when needed.

Games or Activities Committee: This committee is for anyone interested in helping create and/or lead activities, games, arts & crafts, hikes, etc. We strive for 2 invitations per cohort and have a running list of ideas as well as a stock-pile of materials and equipment!

Membership Committee: This committee is for anyone interested in meeting, greeting, and otherwise helping new families gain information about the group and integrate into the community.

Field Trip Committee: This committee is for anyone interested in helping plan outings and field trips in and around the area. We strive for one per month and have a running list of ideas!

Celebration Committee: This committee is for anyone interested in helping plan our annual celebrations such as our Halloween or Fall Celebration, Winter Book Exchange, Valentine's Day Celebration, and End-of-Year Celebration. This committee also oversees the Birthday Box.

Memory Keeper Committee: This is a committee for anyone interested in helping create memory books, posters, etc. for the group.

Talent/Passion/Skill not listed: Want to share something not listed? Let us know!!
