

# 2019-2020 HOME SCHOOL ACADEMY

## SCHEDULE OF 7<sup>th</sup> - 12<sup>th</sup> GRADE CLASSES

**8:35-9:10 Early Gym ( for 9th – 12th grades if not taking gym during the day)**  
**12:15-12:40 LUNCH!**

No class lasts more than one period long; repeated classes have times listed to identify which period they are in.

Please pay attention to grades listed with classes. Classes that include younger students start at the top and get older as you go down the column. Note that 8<sup>th</sup>-12<sup>th</sup> grade classes are generally high school level classes that 8<sup>th</sup> graders are allowed to take, but they will be expected to keep up with the class.

Class descriptions can be found on the website by choosing **Class Registration** and clicking on the class.

<b>CODES:</b>	<sup>p</sup> Prerequisite required.	See class descriptions for details	<sup>1</sup> Classes that list a semester are one semester classes that repeat and should only be taken for one semester (with the exception of gym). You can mix and match them within one class period to fit your preferences. Please be sure to sign up for both semesters!
	<sup>\$</sup> Extra fee required		

All “Labs” require a text which can be found in the class description. We will provide a schedule, and lessons must be completed at home. All science experiments will be performed in class, and Math Labs will focus on areas where students are struggling.
