

2021-2022 HOME SCHOOL ACADEMY SCHEDULE OF 7th - 12th GRADE CLASSES

No class lasts more than one period long; repeated classes have times listed to identify which period they are in.

Please pay attention to grades listed with classes. Note that 8th-12th grade classes are generally high school level classes that 8th graders are allowed to take, but they will be expected to keep up with the class.

Class descriptions can be found on the website by choosing **Class Registration** and clicking on the class.

CODES:	^P Prerequisite required. ^S Extra fee required	See class descriptions for details	Semester classes are this color, so please make sure to sign up for both semesters. None of the current classes are repeats. Digital Circuits requires a prerequisite of Discrete Circuits.
