

2nd - 3rd

SPRING daily schedule - Wednesdays

9:15am-
9:35am

CHECK IN

Check in at Room L

9:30am-
10:00am

DEVOTIONS

10:00am-
10:45am

Gardening

Students will get to learn to garden by getting dirty! Kiddos will learn about all the important components for gardening like soil, water, and sunlight. They will get the chance to start their own seeds and there will even be some experiments we do with vegetables!

See you there!

10:45am-
11:30am

Creative Painting

Join Mrs. Nolt as you experience painting using many different surfaces and types of paints. One class you will even make your own paint! All of us are created by our God to create beautiful and amazing things and you are going to express that through this class!

15 min recess

11:45am-
12:30pm

STEM

Back by request for another year of fun, Miss Aileen will put your brain to the test with STEM projects! Focusing on science, technology, engineering, and mechanics, you might learn about kinetic energy or the difference between thrust and lift. Some of the projects might be the same, but your imagination is really the limit - put your ideas to the test!

12:30pm-
1:30pm

LUNCH + RECESS

1:30pm-
2:30pm

Tumbling

Join Miss Hope on a tumbling adventure! You'll get to learn how to roll, cartwheel, handstands, and more! Don't worry, you'll be safe on the tumble mats. You'll end this class with a cool choreographed dance to share with your parents at the end of the semester.

2:30pm-
2:55pm

RECESS

3:00pm-
3:15pm

SERVICE PROJECTS/PACK UP

3:15pm-
3:30pm

DISMISSAL
